 Supermoto Italian championship
 Third round

Team TM RACING/BERLONI dominates the third round of the Supermoto Italian Championship

Great satisfaction for the TMRACING / BERLONI Team to third round of the Supermoto Italian Championship where the riders **Simone Girolami** and **Robert Baraccani** succeed to conquer the respective 1st and 2nd places of the podium of day in the Prestige category, at the end of two hard races, where the two riders of the pesarese house has dominated, succeeding to put behind the two more dangerous adversaries of the Husqvarna Team, the World Champion Gerald Delephine and the Italian champion Ivan Lazzarini, carrying them respective in 3rd and 4th places in the standing of the Italian Championship.

From the time practice on Saturday the Roman S. **Girolami** in saddleback to his factory TM SMX 700 F showed his intentions conquering the pole-position, leaving to mean that the feeling with the bike it was been caught up and the Victory of race 1 and the second place in race 2 is the confirmation.

Simone said; *"..... I'm very happy about this result because I have arrived to this race with much more confidence, knew that I could do a good race, my bike went very well just from the Saturday and I also felt very well. I could have won also race 2 but I wanted to gain the absolute it was better do not take excessive risks. I feel that we can fight for the championship"*

Great satisfaction also for the modenese **R. Baraccani** that after his first podium of last race in Castelletto di Branduzzo he confirms to be very combative on his TM SMX 530F to the second and the third place in the two races of the day.

Robert said; *c "... I am finding the right feeling with the bike, we have a lot upgrades and thanks to the job of TM's mechanics we are coming outside and having mach more satisfactions, I'm very happy for the podium and for how the two races have gone, but the best must still come"*

Optimal race also for the strong **Fabio Balducci** in a strongest Sport category.

Fabio always has been in fight for the top positions but making attention not to fall in the troubles with the foreign riders who do not take points for the Italian championship classification. Therefore thanks to a sixth and fourth places in the two races Fabio has obtained the better Italian position passing in second position of general classify to a single point from the first place and his main adversary in the race to the title Massimo Beltrami.

Fabio said; *"..... This category is fought that you never know what can happen until the moment in which you see the flag. The development of my bike fuel electronic injection is proceeding very good improving race by race its performances and power delivery. We are only to the third round of the championship and I will make all in order to win it, even if that to which I aim more is sure the podium in the World Championship"*
