

**JUST WHAT YOU NEED  
TO BREAK THE ICE.**

Our superior salting solutions are now even better. Arctic's hitch mounted spreader is engineered with two things in mind: ease and durability. This spreader had an unmatched level of toughness with our galvanized coating.

**VARIABLE SPEED CONTROLLER**

Our slim design controller is backlit with progressive lighting to indicate status and speed. 40 amp surge protection with auto reset. Blast switch provides momentary full power override. Vibrator switch allows for continuous duty or auto vibrate for 10 seconds every 60 seconds.

**TOUGHER  
THAN A  
CANADIAN  
WINTER**
