

CLASSIC SERIES

BUILT TO STAND THE TEST OF TIME.

For consistent clearing performance that pays off, turn to the Classic Sno-Thro® from Ariens. From the handlebars to the housing, the all-steel Classic is built to stand the test of time. The compact design makes it light and easy to control while interlocking levers allow for effortless, one-handed operation. A steel serrated auger cuts through snow allowing a 12" high-speed impeller to send it flying through a quick turn chute.

EASY TO USE

The compact design makes it light and easy to control.

INTERLOCKING LEVERS

Gain the upper hand with interlocking levers that allow for effortless, one-handed operation.

2.5X QUICK-TURN CHUTE

Put powder in its place with a 2.5X Quick-Turn Chute with 205-degree rotation.

HIGH-SPEED IMPELLER

A 12-inch, 3-blade high-speed impeller throws 58 tons per hour.

SERRATED AUGER

Cut through the toughest snow in a snap with a steel, serrated auger.

ALL-STEEL CONSTRUCTION

From the handlebars to the housing, Classic is built to stand the test of time.
