"ROCKY"

For Better Performance in Providing Free Choice Mineral

American Made American Owned for 70 years

YOUR DEALER IS:

Made from new and improved polyethylene

See for yourself why "ROCKY" is no ordinary mineral feeder.

- Tough polyethylene construction means "Rocky" has a longer life and is maintenance free.
- The patented design included a new and improved weighted bottom that keeps "Rocky" standing upright no matter how much it's pushed or shoved.
- Will hold approximately 80 pounds of mineral
- One year warranty
