

120-HS" & 120-HD" Snowblowers

Our Industrial Snowblowers are our toughest blower yet! Shown is our 120-HDD model with optional telescopic truck loading chute and rotating fan housing. Other options like hydraulic steering wing edges (shown), and bolt on cutting edge, make this a very versatile machine. Whether it's loading trucks from a plowed windrow, cutting banks on a busy highway, or clearing large parking lots, you can be assured you have the best machine for the job!

With standard features such as, Orbital Motor Hood Turner, heavy duty greaseable ball bearings, #80 heavy chain, 1/2" thick end plates and quick hitch ready. This well built machine will last you for many years to come!

Options:

- Flex Hood
