## MODULAR BRAZED PLATE CHILLER

*This industry leading chiller is offered in modules to closely match the cooling you need. It's designed using BouMatic's proprietary cooling logic to provide the very best in milk cooling and equipment efficiency.*

### Save on energy costs while cooling milk.

- **Highly energy efficient** – Using digital compressors and electronic refrigerant metering you will save while you cool
- **Modular design** – Convenient 'plug together' modules enable you to get the most cost-effective cooling capacity
- **Ultimate peace of mind** – Superior cooling logic detects problems, alerts you and adds more cooling when needed
- **Compact footprint** – Space-saving design leaves more room for you and allows the units to fit easily into existing buildings
