

Serving the *agricultural producers* since 1970!

MOTORIZED SWEEPER

For agricultural, commercial and residential usage: barns, alleys, sidewalks, driveway, lawns, golf, rink, etc.

- Honda 5.5 HP motor.
- 20 heavy duty nylon brushes for lateral sweeping.
- 48" (1,2 m) sweeping width.
- Light and easy to operate.

Heavy-duty nylon brushes easy to replace.

6" (15 cm) optional front swivel wheels

Allows the adjustment of the sweeping height up to 2" (5 cm) of the ground, thus preventing damages to the lawn.

Gas lever allowing to vary the speed of the brushes and disengage them.

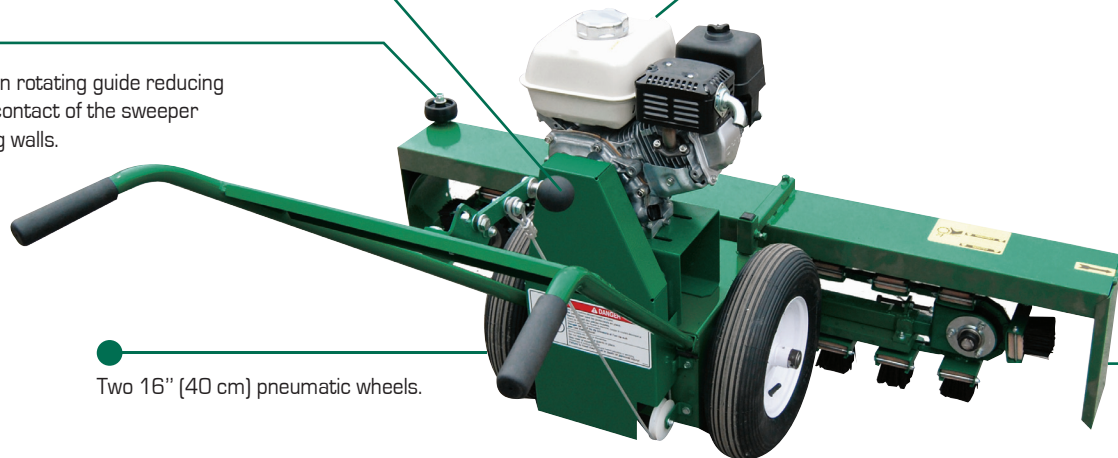

Easy access to the gas tank.

Teflon rotating guide reducing the contact of the sweeper along walls.

Hinged deflector on the discharge side.

Two 16" (40 cm) pneumatic wheels.

60" overall width (1,8 m).

Serving the agricultural producers since 1970!

WIC Warranty

All WIC products have a one-year warranty (tires and labor not included) against all manufacturing defects. WIC reserves the right to modify manufacturing and specifications of its products without notice or incurring the obligation to effect those changes on products already sold. This warranty is valid under normal use for which the machine was made.

WIC Liability

WIC, its dealers and/or agents cannot guarantee individual results from the use of the WIC equipments due to factor beyond our control. Even if the WIC equipments are very safe when operation procedures are followed, accidents which may occasionally result from equipment failure are not liable to WIC. The security use of this equipment does not eliminate all the risks connected to its use.
