Minimum Order: \$50.00 Net

Freight: F.O.B. Factory

Prices: Subject to change without notice. All shipments will be at prevailing prices on the date of order.

Ordering Policy:

- 1 **Wholegoods** - All wholegood orders will be confirmed back to customer by order acknowledgement via fax or email. All orders will be built according to the written order acknowledgement. If the order acknowledgement is incorrect, call immediately to correct the order. If, after ordering, you have not received an acknowledgement, your order may not have been booked. Please call our office to confirm your order.
- 2 **Parts**- Most parts ship out the same day if orders are placed by 2:00 p.m. All parts will be shipped out via UPS (prepaid and add) or truckline (freight collect) unless otherwise noted. No order acknowledgement will be sent unless requested. If account is not current, then the order will be shipped C.O.D.

Order Changes: Wholegood orders changed or modified after production has begun may incur a change charge.

Knocked Down or Assembled: Our products are shipped "knocked down". This simply means that our wholegood products are disassembled enough to safely fit on a truck (flatbed). The pricelist will indicate assembly charges for each product line. If you wish to have your order completely assembled, a net charge will apply.

Return Policy: No product or part may be returned for credit unless written authorization by T.G. Schmeiser Co., Inc. has been given in advance. All returned items must have an RMA (Return Material Authorization) number clearly written on the packing list and on the exterior of package. If an item does not have an RMA number, shipment will not be accepted and credit will not be given. All returned items must be shipped prepaid.

- 1 **Wholegoods** - Wholegood items that are standard built may be returned for credit with advanced written authorization. Items shall be new and in unused condition. Many wholegoods are custom built or special order items. These are either non-returnable or subject to a re-stocking charge, depending on how specialized the order.
- 2 **Parts** - All parts that have been ordered within the last 12 months (and are listed in the current parts price list) may be returned for credit. Parts shall be new and in unused condition. Items that are obsolete or superseded may be returned, only if listed on current parts pricelist.

Past Due Accounts: Accounts past due will be placed on C.O.D. or hold until brought current or satisfactory arrangements are made for payment. Interest of 1-1/2% per month (annual rate 18%), or such other rate allowed by state law, can be charged on past due accounts.

Damages or Shortages in Shipping: We make every effort to see that equipment and/or parts are loaded on the carrier's vehicle properly, however the ultimate responsibility of securing load and transportation is that of the carrier. T.G. Schmeiser Co. is not liable for damage or loss of merchandise once it has left our yard. Dealer is solely responsible for filing claims against the carrier for any loss or damage. Schmeiser will help you in securing an adjustment for the loss or damage, providing you have filed a claim with the carrier. Claims for shortages in shipments or concealed damage must be made within 10 days of receipt of goods.

Warranty: All Wholegood items are subject to the Schmeiser 12 month **Limited Written Warranty**. Warranty cards must be submitted within 30 days of sale to retail customer to be eligible. All warranty work must be pre-approved. Schmeiser/Dealer warranty policy is available by calling the factory.

T.G. Schmeiser reserves the right to make improvements in the design and changes in specifications at any time without incurring any obligation to install them on units previously sold.
