**WE PUT SO MUCH INTO OUR  
MOWERS. WHICH IS WHY YOU GET  
SO MUCH OUT OF THEM.**

**BLOOD, SWEAT & TEARS? SURE, THEY'RE  
IN THERE. HEART & SOUL? MAXED OUT.  
PRIDE? YOU'D BETTER BELIEVE IT. THEN,  
OF COURSE, THERE'S ALL THE SUPERIOR  
ENGINEERING, INNOVATION, AND ONLY  
THE BEST PARTS FROM THE SMALLEST  
BOLT TO OUR HEAVIEST-GAUGE STEEL. SO,  
IF YOU'RE WONDERING WHY YOU SHOULD  
CHOOSE **GRAVELY**, OUR ONLY QUESTION  
IS HOW LONG OF A LIST WOULD YOU LIKE?**

REASONS WHY GRAVELY IS THE BETTER-BUILT LAWN MOWER

## CHOICE

That's about how many parts go into some of our lawn mowers. And we don't skimp on a single one of them. Sure, we could save a few dollars here, a few cents there, but then we'd be building the same machines everyone else builds. But we're not. We're building Gravelys. Only the best parts will do.

## OUR FAMILY TREE

must have deep roots. How else could it support all these branches? The Gravelly brand keeps growing and growing. That's what happens when you keep up with the demands of your customers. Commercial, residential, stand-ons, utility, electric, this is a prolific family of products with an unmatched pedigree.

# OUR SPECIFICATIONS FROM

# COME YOUR EXPECTATIONS.

*You are the reason we do what we do. We know how hard you work out there and it's our job to make sure our machines do the same. We design and engineer everything we build to be put through the same punishments you put yourself through. Early mornings. Long days. Unloading after dusk. You don't let up, so your equipment better not either. We share the same work ethic: a job isn't done until it's done right.*

# COMPACT-PRO<sup>®</sup>

COMMERCIAL STRENGTH  
BROUGHT DOWN TO SIZE.

*The Compact-Pro® was designed to take you where bigger mowers can't, like through gates as narrow as 36". It's a smaller, more nimble ride but is still loaded with features like our bigger machines. This is power and durability with maximum versatility.*

#### **QUICK BATTERY SWAP SYSTEMS**

*Gravely EV mowers include a quick-swap battery system that allows you to run your mowers all day. No need to stop when the battery runs out. Just simply swap a new battery in and keep on mowing!*

**QUIET OPERATION** *Gas-powered lawn mowers are loud, especially in urban areas where the sound bounces off the structures. Electric mowers do not have the loud noises, or the vibrations mowers typically need to deal with when using gas. Lower noise pollution is a great.*

# PRO-STANCE<sup>®</sup>

THE MOWER THAT STANDS  
FOR POWER AND  
PERFORMANCE.

*Some environments demand the versatility a standing mower brings, where operators can quickly jump on and off. The Pro-Stance delivers that and more with a deck that easily adjusts, a suspension platform to absorb vibration for all-day comfort, and the best cutting deck in the business.*

**X-FACTOR® 3 DECK** The deck has been completely redesigned for better grass dispersion. Its new look is constructed from 7-gauge steel to deliver years of solid performance.

## HITCH KIT

Add a hitch kit to enjoy unmatched versatility with a variety of tow-behind options.

# **AMERICAN MADE**

## **IT STILL MEANS THE WORLD TO US**

For over 100 years every Gravelly that's come off our line has been built right here in the USA – and that's not changing any time soon. Because we believe in American ingenuity. We believe in the American work ethic. And just like the people who ride on a Gravelly, we believe in doing the job right. That's not only the American way, that's the Gravelly way.
