Shown with CX36 fireplace.

## WHAT WE ARE ALL ABOUT

Continental® is proud to announce the Keenan Collection. In keeping with our core values of artisanship and craftsmanship, each mantel starts with the selection of premium grade lumber, which is hand crafted and custom finished into a furniture grade focal point of your home. The Keenan Collection consists of six mantels and seven shelves.

A popular mix of pre-selected colors and finishes to suit any home decor, or if a custom finish is preferred, we offer all designs in unfinished maple for personalized choice.

The Keenan Collection have been designed to fit Continental CB30, CB35, CB36, CX36, CB42 and CX70 fireplaces.
