Feature highlights

UFit system

The UFit system allows you to adjust the pegs in 1 of 5 set positions according to your height and choose the handlebar based on your preferred riding style.

10.25 in. touchscreen display with BRP Connect and Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience that's both seamless and simple right at your fingertips.

Sport thrill

Sport mode, combined with a larger sprocket of 89 teeth, gives the Spyder F3-S faster acceleration and a sportier feel on the road.

Rotax 1330 ACE engine

115 hp engine – More power can only mean one thing: better performance. Our most powerful engine allows you to challenge the road knowing you have the horsepower you want when you need it.

LED headlights

The LED headlamps offer whiter illumination and a wider periphery while reducing the amount of maintenance required. Leave nothing hidden with improved road visibility and precision lighting.

Sport Silencer

The distinctive sound and design of the Sport Silencer are perfectly matched to the character of the Spyder F3-S.
