## Feature highlights

### UFit system

The UFit system allows you to adjust the pegs in 1 of 5 set positions according to your height and choose the handlebar based on your preferred riding style.

### 10.25 in. touchscreen display with BRP Connect and Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience that's both seamless and simple right at your fingertips.

### LED headlights

The LED headlamps offer whiter illumination and a wider periphery while reducing the amount of maintenance required. Leave nothing hidden with improved road visibility and precision lighting.

### Saddlebags

Integrated hard side luggage to allow you to take more with you on your adventure.

### Sport windshield

Provides protection from the wind for improved comfort on the road.

### BRP Audio system

Our 4-speaker sound system comes equipped with radio, USB and Bluetooth† so you can listen to your favorite music from any device.
