WHATEVER IT TAKES.

Managing sidewalks and other high traffic areas are a challenge for snow and ice contractors. That's why, at BOSS, we're committed to producing solutions that RESTORE ORDER to your walkways. From groundbreaking innovations, like the Snowrator®, to new evolutions, like the SR MAG, BOSS ensures that when it comes time to get sidewalks back to bare pavement we'll do Whatever It Takes.

TWO-YEAR LIMITED WARRANTY

All BOSS Snowrators® are guaranteed to be free from defects in material and workmanship for two full years from the date of purchase. Stop by any authorized BOSS Snowrator® Dealer to receive complete details on our two-year parts and labor warranty. Please visit bossplow.com for more details.

LEGAL STATEMENT

BOSS Products reserves the right under its product improvement policy to change construction or design details and furnish equipment when so altered without reference to illustrations or specifications used herein. BOSS Products may be protected by one or more patents; please see bossplow.com for more details.

Enhance the power, performance and durability of your BOSS product with Genuine BOSS Parts & Accessories.

SEE THE SAVINGS

GET READY TO GROW

Whether you're a two-man operation or have a crew of hundreds, adding a Snowrator® or SR MAG means you can confidently take on work and expand your business with more sidewalk-heavy contracts.

NEVER CALLS IN SICK

Become less dependent on unpredictable, unreliable labor options.

DO MORE WITH LESS

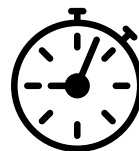

Adding a Snowrator® or SR MAG to your team can help reduce labor costs, save time and make you more money.

MONEY MAKER

LABOR SAVER

TIME SAVER

TASKMASTER

DON'T JUST SURVIVE. THRIVE.

Adding a Snowrator® or SR MAG to your fleet will help streamline your business—getting sidewalk jobs done faster and more efficiently while reducing your reliance on labor. Grow your business and increase your bottom line with a Snowrator® or SR MAG.

The time and money saved has been amazing, because with one Snowrator® we've reduced our salt costs by 30%. Salting, brining, clearing—Snowrator® has been an absolute game-changer for our snow and ice business.

SR MAG IMPLEMENTS

EXPERTLY CRAFTED SOLUTIONS.

The SR MAG comes with the ability to take on an arsenal of optional implements, so regardless of how you need to attack snow and ice, you'll have the right solution for the job.

SEE IT IN ACTION

SR MAG

IMPLEMENTS & ATTACHMENTS

4'2" XT PLOW

A 4'2" enhanced blade with an AR450 cutting edge, snow catcher and curb guards. Also features a reinforced push frame, dual-acting cylinders for backdragging performance and is the only product on the market to provide simultaneous independent hydraulic wing control.

4' AND 5' STRAIGHT-BLADES

Tough, capable plows that adapt to the demands of the job. Add additional width or scooping power with optional blade extensions or box wings.

STX48 SNOW THROWER

Throws snow between two and thirty-five feet with a 2,500 psi motor that produces 14.5 horsepower.

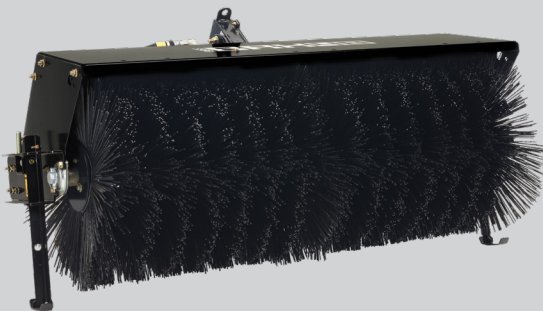

TGS 85 BROADCAST SPREADER

Rear-mounted Poly TGS 85 Broadcast Spreader features a 1/8 horsepower motor and can accommodate up to 50 lbs of deicing material. (Compatible with Snowrator® and SR MAG.)

EXACT PATH® 1.5 CUBIC FOOT DROP SPREADER

The BOSS EXACT PATH® dispenses the right amount of deicer in the right place saving grass and landscaping. (Compatible with Snowrator® and SR MAG.)

BRX48 BROOM

48" broom with long-lasting bristles works in forward or reverse.

SNOWRATOR® & SR MAG

PARTS & ACCESSORIES

BLADE PERFORMANCE

BOX WING KIT

Carry more snow with your BOSS Snowrator® plow by adding a box wing kit. These wings easily bolt to the Snowrator® snowplow, providing a box-plow effect. (Compatible with 4' and 5' straight-blades.)

RUBBER SNOW DEFLECTOR

Increase visibility and improve safety with this rugged snow deflector designed for the Snowrator® and SR MAG. (Compatible with 4' and 5' straight-blades.)

BLADE EXTENSIONS

Extend the width of your BOSS Snowrator® plow by 12" overall (6" on each side) with the blade extension kit. (Compatible with 4' and 5' straight-blades.)

URETHANE CUTTING EDGES

Urethane cutting edges offer optimum squeegee effect and prevent damage to sensitive surfaces. (Compatible with 4' and 5' straight-blades.)

DEICING ATTACHMENTS

20-GALLON AUXILIARY TANK

The auxiliary tank adds an additional 20 gallons of brine carrying capacity, doubling the overall liquid volume the machine can carry. The tank integrates with existing pump, nozzles and wand and cuts return tips to refill by half. Only available as an option on the Snowrator®.

TGS 85 BROADCAST SPREADER

Rear-mounted Poly TGS 85 Broadcast Spreader features a 1/8 horsepower motor and can accommodate up to 50 lbs of deicing material.

EXACT PATH® 1.5 CUBIC FOOT DROP SPREADER

The BOSS EXACT PATH® dispenses the right amount of deicer in the right place saving grass and landscaping.

PLOW ENHANCEMENTS

PLOW SHOES

These rugged plow shoes help reduce wear and tear on the plow's cutting edge.

BLADE GUIDE

Get a better view of the exact width of your blade with these sturdy blade guides.

VEHICLE ENHANCEMENTS

5-GALLON BUCKET MOUNTS

Optional 5-gallon bucket mounts attach quickly and simply and give the operator easy access to additional deicing materials on the back of the unit. (Compatible with Snowrator® and SR MAG.)

CARRY TRAYS

Additional gear, fuel and deicing materials are in easy reach when carry trays are added, saving time and money on the job by helping operators beat the clock. (Compatible with Snowrator® only.)

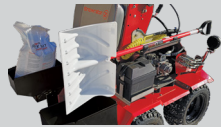

SNOW FLAP

These durable rubber flaps protect the Snowrator® fenders and exterior from snow, mud and debris. (Compatible only with Snowrator®.)

SHOVEL MOUNTING KIT

Carry a shovel right on your Snowrator® or SR MAG to quickly clean up around doorways and hard-to-reach areas.

TOOLS

SHOVELS (PUSHER AND SCOOP)

These high-performance, contractor-grade snow shovels are built BOSS tough.

5-GALLON BUCKETS AND LIDS

Be ready for the worst weather with buckets that let you carry additional supplies and materials to any job site. (Buckets and lids sold separately.)

MAINTENANCE

SNOWRATOR® COVER*

Protect your investment and keep it ready to roll with the heavy-duty, weather-resistant BOSS Snowrator® cover. Ruggedly constructed to keep your Snowrator® clean during transportation from site to site, avoiding accumulation of snow, ice and road salt. Cover your Snowrator® in between jobs, so you have a smooth start to your next job. The Snowrator® cover will work on Snowrator® base units and units with the optional EXACT PATH® Drop Spreader or 20-gallon Auxiliary Tank installed. (Not compatible with SR MAG.)

*Cover shown with opacity to show fit.

SNOWRATOR® AND SR MAG HYDRAULIC FLUID

This high-performance fluid is specifically formulated for top performance under tough conditions.

SR MAG CONTROL PANEL

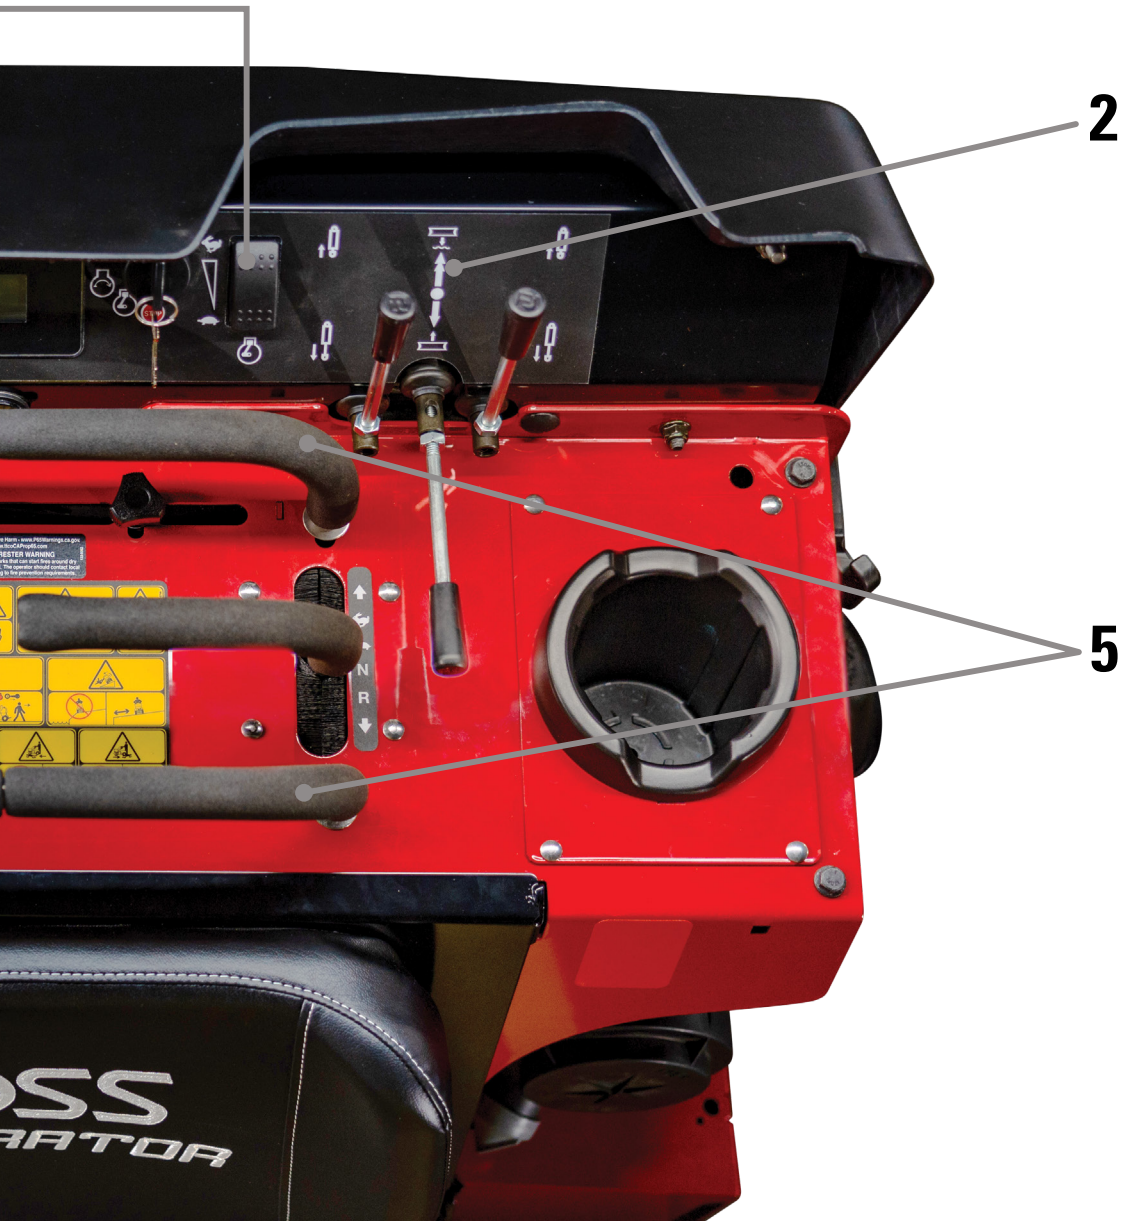

DESIGNED TO POWER YOU FORWARD.

Everything about the SR MAG was designed with you and your job in mind. That's why we made the control panel as simple and intuitive as possible while still operating as a sophisticated piece of technology for you to RESTORE ORDER to your community.

CONTROL PANEL FEATURES

1. A venting system that conveniently directs heat toward your hands, legs and feet to help you stay warm in frigid weather.
2. Hydraulic controls designed for easy use and proximity. Quick access to the float detent on the lower lever makes it easy for you to maneuver over uneven ground.
3. Weather-resistant spreader controls that can withstand moisture or freezing and are positioned for easy access and application.
4. A display screen that shows detailed system information to keep you in the know about the performance and status of the vehicle.
5. Front and rear reference bars come equipped with insulated hand grips for more security and to keep your hands warm.
6. Simple, clearly-labeled switches control high-flow hydraulics, engine throttle and vehicle lights.
