

EDI 4 ELECTRIC ICE SCRAPER

The EDI 4 electric ice scraper removes even stubborn ice from car windscreens in a single movement, thanks to its rotating disc and six sturdy plastic blades.

Rotating disc with sturdy plastic blades

- The impact-resistant removal disc takes off even stubborn ice effortlessly.

Attachment change is possible

- The removal disc can be replaced quickly and easily without any tools.

Powerful lithium-ion cells

- One battery charge is sufficient for several applications.
