makes a difference

## Concrete Remover

Concrete Remover effectively removes concrete splatters and deposits from construction vehicles, equipment, tools and commercial surfaces. Not intended for use on fine automotive finishes. Always pre-test undiluted product in an inconspicuous area, to determine safety and suitability for the intended use.

### Benefits

- Save for Use on Most Painted Metal Surfaces
- Save Time by Working Fast
- Economical – Can be Diluted 1:1 for Fresh Light Splatters
- Phosphate Free

**Dilution Ratio:** 1:1, 5 gallons makes 10 gallons

**To Apply:** Spray diluted solution on surface and allow to penetrate, but not dry. Apply detergent from the bottom up and rinse from the top down.

**Directions:** INDUSTRIAL USE ONLY. Read the Safety Data Sheet thoroughly before using this product. Do not pre-wet surfaces to be treated, as this will decrease the rate of concrete removal. Apply Concrete Remover undiluted to affected areas, using a pump sprayer or a soft chemical-resistant bristle brush. For fresh light splatters, dilute product 1:1 (pH 2.0 at dilution). Allow 15 minutes dwell time for concrete to soften. Rinse surfaces thoroughly with fresh clean water. Use of a high pressure washer will assist with removal and rinsing. Allow all surfaces to dry before the re-treatment of any heavier concrete deposits.

### Product Information

Part No.	Size	Gross weight	Dimensions (L x W x H) inches	Ship UPS
8.698-139.0	5 gal	49 lbs	12.5 x 12.5 x 15	No
8.698-140.0	55 gal	516 lbs	23.5 x 23.5 x 35	No

### Safety

<b>HMIS Safety Rating: Health</b>	2
<b>HMIS Safety Rating: Flammability</b>	1
<b>HMIS Safety Rating: Reactivity</b>	0
<b>Personal Protective Equipment</b>	B

OSHA/WHMIS/GHS-Compliant SDS available, listed with Infotrac.

### Technical Data

**Color:** Light Yellow

**Scent:** Sharp

**Foam 1-5:** 3 = Medium

**Reaction in Hard Water 1-5:** 3 = Average

**pH at Full Strength:** 2.16

**pH at Use Dilution (1:150 Ratio):** 2.0

### Certifications

**Kosher Certified:** Use year round, not including Passover.

**Smog & Ozone:** in accordance with AQMD Rule 102, this product contains 0% photochemically reactive ingredients to contribute to smog or attack the earth's ozone layer.

**VOC:** This product contains 0% California Consumer Products VOC.
