

Karcher Vehicle Wash and Wax Detergent

KD-260 Heavy-Duty Vehicle Cleaner with wax is a highly concentrated vehicle cleaner that produces rich suds to increase dwell time and deep clean any vehicle surface. This formula is highly effective in removing road film and grime, yet is safe enough for use on polished aluminum. The wax additive gives KD-260 the extra performance feature that produces an attractive finish and shine for your vehicle. It also helps prevent dirt from adhering to the surface and reduces water spotting.
