

ALL SEASON • ALL TERRAIN • SIX PASSENGERS

SINCE 1967

*Amphibious UTV*

*Extreme Off-Road Performance*

2013  
Personal Utility Vehicles

# DEDICATED TO FREEDOM AND INDEPENDENCE

Begin your next adventure with the **amphibious, all season, all-wheel drive**, off-road ARGO. Go where your dreams lead you – through challenging terrain, over hills, even on water or snow. Unsurpassed in versatility and reliability, the ARGO carries you, your friends and supplies to those far away places. With ARGO, go ahead and dare to dream.

## EASY STEERING

Traditional skid steering

ARGO with ADMIRAL Transmission

- Less engine power required to steer in high gear.
- Reduces the need to operate in low gear.

The ARGO steers smoothly through challenging terrain and can turn in its own length with minimal effort, allowing for extreme tight turns.

BUILT TO WORK HARD

OPTIONAL CARGO BEDLINER FEATURING EASY INSTALLATION AND REMOVAL

OPTIONAL CHAIN LUBRICATION SYSTEM

OPTIONAL HIGH TORQUE TRANSMISSION FOR EXTREME TERRAIN PERFORMANCE

OPTIONAL ADJUSTABLE GAS CAN HOLDER AND SPARE TIRE MOUNT

# Argo 8x8 750HDi

Comfortable Bucket-style Suspension Seats

Stylish Brushguard with Power Winch

High Performance All Season Tracks

Vehicle shown with optional accessories. See specification page and [ARGOutv.com](http://ARGOutv.com) for more details.

# ARGO FLOATS!

Fishing and waterfowl hunting enthusiasts agree that the ARGO is the better way to go. Unlike traditional off-road vehicles, the all terrain, amphibious ARGO floats without vehicle preparation and the special webbed tires actually work as linear propellers in water.

## **Safety!**

*...always in Season!*

When operating in water, always wear approved Personal Floatation Devices. Always remain seated while in the ARGO.

# FOR THE ULTIMATE HUNTING EXPEDITION

Designed for those who truly appreciate the great outdoors, the amphibious ARGO is the essential off-road vehicle for hunting and exploration. ARGO allows you to travel with ease through the toughest conditions imaginable, including rugged terrain, hills, water, deep snow, and ice. Challenging terrain will suddenly become a pleasure to navigate and the ARGO's low ground pressure tires minimize the impact on the environment.

So go on, spoil yourself. Take your friends and all the equipment you need to track the best game. You'll still have plenty of space to take home whatever you bag. As an amphibious all season vehicle, the ARGO combines many of the advantages you get from a snowmobile, 4x4 ATV, 6x6 UTV and a small boat.

Jim Shockey, proud ARGO owner  
[www.jimshockey.com](http://www.jimshockey.com)

# ARGO AT WORK

The multi-passenger ARGO is the perfect vehicle for wilderness exploration, scenic tours, photo safaris and everything in-between. Outfitters, lodges and eco-tour operators can now offer their customers a unique and reliable outdoor experience.

Take advantage of your ARGO to get the work done around your home, farm or woodlot. The rugged ARGO can tow and carry a load, and allows you to work in areas that would otherwise be inaccessible.

**Environmental Impact:** From the unique tread pattern of the tires to the low ground pressure, every ARGO model is designed to minimize its environmental footprint.

## Forestry and Agriculture

- Producing Maple Syrup • Spraying
- Hauling Trailers • Seeding and Feeding
- Plowing Snow • Pulling Logs
- Transporting People and Supplies

## Resorts, Outfitters and Ecotourism

- Fishing and Hunting Lodges
- Support Vehicle • Ice Fishing Operators
- Trail and Property Maintenance

ARGO Stretcher Accessory fits ARGO 8x8 700 HD and 750 HDi models and is designed for Ferno Stretcher #9.

### Public Sector

Many emergency tasks require the extra advantage that only the ARGO can provide. The all terrain ARGO 8x8 transports personnel and equipment to the accident site and evacuates the injured. Add the ARGO to your rescue fleet for the added assurance you need when the odds are stacked against you. Don't wait until your next emergency.

- Disaster Response
- Search & Rescue
- Emergency Medical Services
- Hazardous Materials
- Vector & Pest Control
- Firefighting & Prevention

### Utilities and Resource Management

Crews and equipment have to travel miles through challenging terrain to inspect power lines or prospect new drilling sites. Helicopters or expensive tracked vehicles may be able to get the job done, but at what cost? Today's cost conscious industry leaders rely on ARGO vehicles to get the job done in extreme terrain conditions.

- Line Construction and Maintenance
- Resource Exploration • Geological Surveys
- Communications Equipment Management

### Safety

*...always in Season*

For safety, we recommend wearing approved helmets and eye protection. When operating in water, always wear approved Personal Floatation Devices. Always remain seated while in the ARGO.

# THE MOST VERSATILE OFF-ROAD VEHICLE IN THE WORLD

## ARGO 8X8 750 HDi

This 8-wheel drive amphibious off-road vehicle features an OHV V-Twin liquid cooled 748cc, 31 hp Kohler Aegis LH 775 electronic fuel-injected engine. The ARGO 8x8 750 HDi features effective throttle response, excellent fuel economy, reliable cold weather starting and outstanding high-altitude performance.

### PREMIUM FEATURES

- Innovative triple differential, direct drive ADMIRAL steering transmission available as standard or high torque version, provides even power to all 8 of the big 25" ARGO tires
- Increased efficiency results in more power to the wheels for optimum performance
- Improved engine compartment cooling
- Large triple sealed bearings
- Heavy duty axles
- Self-adjusting hydraulic vented disk brakes
- Easy-to-remove firewall and floor boards
- Under seat storage and easy access to battery compartment
- Optional suspension seats (standard on 750 HDi Special Edition)

## ARGO 8X8 750 HDi Special Edition

All the features of the standard 750 HDi plus:

- 3-way adjustable suspension seating with rear grab handles
- High/low beam headlights
- Signal/side marker lamps
- Front-mounted horn
- Side view mirror
- 7 pin trailer connection
- Heavy-duty alternator
- Entry step

**Argo 8x8**  
SPECIAL EDITION 750 HDi

25" ARGO tires for optimum traction, smooth ride and better water performance

Optional entry step available

**Argo 8x8**  
750 HDi

### ARGO Limited Warranty

One year for vehicles, 3 years for Kohler engines and 2 years for Briggs & Stratton engines. Extended warranty plans available. Visit [www.ARGOutv.com/warranty](http://www.ARGOutv.com/warranty) for details.

## Argo 8x8 700 HD

### ARGO 8x8 700 HD

This 8-wheel drive amphibious off-road vehicle features an OHV V-Twin liquid cooled 674cc, 26 hp Kohler Aegis LH 690 engine with electronic ignition and solenoid shift starter.

Same premium features as 750 HDi.

### FOR 750 HDi AND 700 HD MODELS

#### STANDARD FEATURES

- Contoured dash design
- Premium foam-padded, hinged, front bench seat (except 750 HDi Special Edition) with easy access to deep storage compartment / toolbox and battery
- One-piece ergonomic handlebar steering control
- Excellent approach and departure angles to easily overcome obstacles
- Innovative design and seating for up to 6 passengers
- Meets all 2013 EPA and CARB "whole vehicle" standards and regulations
- Easy access to the engine compartment
- Load capacity of up to 1,150 lbs on land or 1,000 lbs on water

#### STANDARD EQUIPMENT

- LCD Digital Gauge Cluster\* (speedometer, tachometer, odometer, voltmeter, engine coolant temperature, plus low oil pressure and parking brake reminder lights) \* ARGO 750 HDi features an additional check engine light
- 25" ARGO tires for optimum traction, smooth ride and better water performance
- Front and rear axle bearing extensions for increased axle & bearing life
- Full skid plate for lower body protection
- Convenience group (12 volt outlet, cup holders, grab handle)
- Independent emergency, parking brake

### ARGO 8x8 XTI

This 8-wheel drive amphibious off-road vehicle features a Kohler EFI engine and ODG patent-pending, triple differential, ADMIRAL Transmission. The main chassis has been engineered using field-proven technology, allowing for increased payloads and greater durability. For complete information on the ARGO 8x8 XTI visit our Web site at [www.ARGOutv.com/XTI](http://www.ARGOutv.com/XTI).

## Argo 8x8 XTI

### Safety!

*...always in Season!*

For safety, we recommend wearing approved helmets and eye protection. When operating in water, always wear approved Personal Floatation Devices. Always remain seated while in the ARGO.

# EXPLORE EVERY FRONTIER

## ARGO 8X8 FRONTIER 650

An 8-wheel drive amphibious off-road vehicle powered by a 4 cycle OHV V-Twin air cooled 627cc, 23 hp Cooler Cleaner Briggs & Stratton engine. It features front axle bearing extensions for increased axle and bearing life and has a load capacity of up to 1,000 lbs on land or 900 lbs on water.

- Heavy duty axles
- Large rear cargo capacity
- Long wheel base for increased ride comfort over rough terrain

## ARGO 6X6 650 HD

A 6-wheel drive amphibious off-road vehicle powered by a 4 cycle OHV V-Twin air cooled 627cc, 23hp, Briggs & Stratton Cooler Cleaner engine with 20/50 Amp charging system and electronic ignition. It has a load capacity of up to 700 lbs on land or 500 lbs on water.

- Innovative triple differential ADMIRAL steering transmission, providing even torque to all 6 of the 25" ARGO tires
- Improved engine compartment cooling
- Large triple sealed bearings
- Heavy duty axles
- Self-adjusting hydraulic vented disk brakes
- Easy-to-remove firewall and floor boards

## Argo 8x8 Frontier 650

treadlightly!<sup>®</sup>  
ON LAND AND WATER

Every ARGO model is designed  
to minimize its environmental  
footprint.

\*Maximum load 6x6 rear compartment 65 kg or 140 lbs.

Appearance and specifications subject to change without notice.  
Vehicles shown with accessories. See specification page and ARGOOutv.com for more details.

### ARGO 6X6 FRONTIER 580

A 6-wheel drive amphibious off-road vehicle featuring a 4-cycle OHV V-Twin air cooled 570cc, 18 hp Briggs & Stratton engine and a load capacity of up to 700 lbs on land or 500 lbs on water. It can transport up to 4 passengers plus gear. Rear weight restriction.\*

- Heavy duty axles

### FOR ALL FRONTIER AND 6X6 HD MODELS

#### STANDARD FEATURES

- Contoured dash design
- Power to all wheels for optimum performance in challenging terrain
- Premium foam-padded, hinged, front bench seat with easy access to deep storage compartment / toolbox and battery
- One-piece ergonomic handlebar steering control
- All-wheel traction with low center of gravity for extra stability
- State-of-the-art automatic continuously variable transmission with high and low range forward and reverse (does not apply to 650 HD)
- Two-year limited engine warranty
- Low emissions

#### STANDARD EQUIPMENT

- LCD Digital Gauge Cluster (speedometer, odometer, hourmeter, tachometer, voltmeter, plus low oil pressure and parking brake reminder lights)
- 24" ARGO tires with special tread design
- Independent emergency, parking brake
- Back-up recoil starter
- Electronic ignition

ARGO 6X6 650 HD / 6X6 FRONTIER 580

# PERSONALIZE YOUR ARGO

- SUPER TRACK:** Add 1 in. (25 mm) to vehicle height
- RUBBER TRACK:** Adds 1-1/4 in. (32 mm) to vehicle height
- CONV. TOP:** 1-1/2 in. (38 mm) less than ROPS height

Vehicle shown with accessories, see specification page for base vehicle. (ARGO 8x8 750 HDi model shown)

## COMFORT

**1 Convertible Top**  
Protects occupants from the weather. Has removable side and rear doors and stores folded down with boot cover. Requires fold-down windshield. (Optional roll bar light cannot be used with full convertible top).

**2 Convertible Half-Top**  
Protects operator and side passenger from the elements. Features removable side and rear doors, allowing easy access to the rear cargo compartment area. Requires fold-down windshield.

**3 Rear Bench Seat with Back Rest**  
For 8x8 models only. Features versatile forward or rear facing position for easy entry/exit when the vehicle is equipped with a convertible top. The seat is more comfortable due to greater foam thickness and density.

**4 Suspension Seats**  
3-way adjustable suspension seats for increased ride comfort.

**5 Windshield**  
Scratch-resistant acrylic in an aluminum frame, features mounting hole for the optional windshield wiper accessory.

**6 Windshield Wiper**  
Complete with everything needed to assemble and fit to your ARGO Windshield. The Wiper Motor mounts quickly and easily, requiring no drilling on newer style predrilled windshields.

## CONVENIENCE

**Cargo Tie-Down Rings**  
(Not shown) Six rings mount around the rear compartment (four rings for 6x6 models).

**7 Entry Step**  
Convenient and easy access to the vehicle. Can be mounted in four different positions.

**8 Gas Can Holder**  
Adjustable gas can holder mounted at the rear of the vehicle.

**9 Handrails**  
Tubular steel rails mount around the body, providing hand-hold points for rear passengers.

**10 Helicopter Lift Kit**  
Axle mounted at 4 corners, quick release point for helicopter sling connection.

**11 Outboard Motor Bracket**  
This one-piece bracket mounts at the bumper and onto the trailer hitch bracket. Mounting location is slightly off-center and accepts an outboard motor of up to 9.9 hp for increased propulsion in water. Frontier 580 requires hitch.

**12 WARN Power Winch**  
For vehicle recovery or to raise and lower plow blade. 3000 lbs (1364 kg) capacity, reversing with free wheeling out, 40' cable with 30' (9M) nylon strap. Safety switch disables winch unless ignition is on.

**13 Rear Receiver Winch Accessory**  
This bracket mounts into the 8x8 trailer hitch receiver, extending the versatility of your winch. Includes instructions and wire harness for installation.

**14 Wireless Winch Remote Control**  
Wireless and compact, this unit can control remote use of winch from a location of up to 50' for added convenience and versatility.

**15 Snowplow Kit**  
81 in. (2 m) wide steel blade features multi-angle positions. Attaches to front bearing extension housings. A snowplow will maximize the utilization of your ARGO. Note: Requires power winch.

**16 Tire Holder**  
Convenient spare tire mount located at the rear of the vehicle.

**17 Tow Hook**  
This versatile accessory is easy to install and allows winch cables or towing straps to be attached to your ARGO.

**PROTECTION**

**18 Bilge Pump**  
This accessory is highly recommended for amphibious use of any ARGO. Operated by a dash mounted switch, the pump quickly removes water from the lower body.

**19 Cargo Bedliner**  
Protect your cargo storage space. Simple installation, removable and easy to clean.

**20 Brushguard**  
Installation of mounting assembly or power winch is required. The 8x8 700HD/750HDi Brushguard features an integrated tow hook and mounting tabs for fog light kit.

**21 Brushguard for ROPS**  
Primarily designed to be installed with the ROPS.

**22 Brake/Tail Lights**  
Brake / Tail lights, complete wire harness and all necessary mounting hardware.

**23 Fog Lights**  
Provides added illumination in poor visibility due to rain, fog, dust or snow.

**Hood Fan** (Not shown) Extracts hot air from engine compartment (in extreme heat conditions).

**Mudflaps** (Not shown) Deflects snow and mud out of rear cargo compartment. Stay dry and clean when navigating through challenging terrain. Mounts easily to lower body.

**24 Rollover Protection Structure (ROPS)** Powder-coated tubular steel frame provides rollover protection and seat belts for driver and front seat passenger.

**ROPS & Rear Bench Seat** (Not shown) Protects the driver, front seat passenger, and two rear passengers by using the rollover protection structure. Includes rear bench and four seat belts.

**25 Roll Bar**  
Add a distinctive look to your ARGO. Protects driver and passenger. (Reduces seating capacity to 2). Comes with two seat belts and fits all 6x6 models.

**26 Roll Bar Lights**  
2 rubber mounted, shock resistant 3x5" weatherproof lamps, easily installed on your existing roll bar.

**27 Skid Plate**  
Formed from black high-density polyethylene to protect the lower body of the ARGO. Adding a skid plate to your ARGO will provide added insurance against lower body damage.

**28 Storage Protective Covers**  
Fits all production models without roll bar or ROPS.

**29 4-Wheel Amphibious Trailer**  
600 lb (270 kg) carrying capacity in a black 6-wheel lower body with ARGO axles and wheels. Ideal for tools, wood, equipment and any extra cargo.

**30 Utility Bracket**  
The Utility Bracket consists of two "Rugged Gear" utility hooks and a barrel holder. It is an ideal way to safely secure objects such as shovels, fishing rods, paddles, etc. to the outside or inside of your ARGO.

**31 Utility Rack**  
The Utility Rack is comprised of two formed flatbar brackets, four "Rugged Gear" utility hooks, and all mounting hardware necessary to attach the bracket to the backrest handrail and upper body. This rack accessory allows two rifles or shotguns to be carried on the inside of the vehicle.

**32 Utility Storage Pouch**  
Dome snaps attach to backrest for convenient storage space. Ideal for keeping first aid kits, tools, electronics and other items safe, clean and easily accessible.

**Optima Battery** (Not shown) Optional maintenance-free Optima spill-proof battery. Part# for ARGO 613-161 Part# for Centaur 613-160

**TRACKS**

**33 Rubber Tracks**  
Lightweight and durable construction, combined with low rolling resistance to ensure smooth, quiet operation in most difficult terrain conditions. The 18" track width provides optimum floatation and minimal ground pressure while the tread design offers exceptional traction on various hard and soft surfaces.

**34 Super Tracks**  
18" (45.5cm) wide plastic segments go over 24" ARGO tires, to provide optimum floatation over deep snow.

**35 Standard Tracks**  
13" (32.5cm) wide plastic segments go over 24" ARGO tires, reducing ground pressure for travel over snow or flooded areas.

**Super Track Ice Cleats** (not shown) Steel cleats increase traction on ice and hardpacked snow.

**SEARCH & RESCUE**

**36 ARGO Stretcher Kit**  
Designed to accept Ferno #9 stretcher. Fits ARGO 8x8 700 HD and 750 HDi models. Stretcher kit can be adjusted to allow repositioning of frontbench seating. Backrest is folded down for stretcher use and can be put back in upright position when stretcher is not in use.

## OPERATING CONDITIONS

All weather, all terrain, -40°C to +40°C

- Capacity includes occupants, cargo, outboard motor and fuel, and installed accessories. Max. outboard motor size 7.4 kW (9.9 hp).
- Total payload is 700lbs with max. 140lbs allocated to rear compartment.
- Towing capacity is approximate and depends on type of surface, load on vehicle as well as incline. Max Hitch Tongue Load (when equipped with hitch) 100 lbs / 45kg for all models
- Subject to rear compartment load capacity limitations.
- Fuel consumption depends on load and operating conditions.
- All speeds are approximate and depend on conditions.
- Always wear approved Personal Flootation Device (PFD) when operating in water or on ice.
- ADMIRAL triple differential steering transmission with dedicated Hi and Low selector; Forward, Neutral, Reverse.
- Planetary differential transmission with High and Low range; Forward, Neutral, Reverse

**AVAILABLE ARGO COLORS** \*Colors in this brochure are reproduced with great care, but may vary slightly from actual ARGO vehicle colors. ARGO 8x8 XTI is only available in Tundra, Yellow, Red and Black.

Appearance and specifications subject to change without notice.

## COLOR OPTIONS FOR ALL STEEL PARTS

- Textured Black
  - Ultra Chrome / Clear Coat
  - Zinc / Textured Black
  - Zinc / Ultra Chrome / Clear Coat
- CUSTOM COATINGS AND COLORS ARE AVAILABLE UPON REQUEST.

# A WORLD LEADER IN AMPHIBIOUS VEHICLES

**ARGO is the best selling all season, off-road amphibian in the world!** No other vehicle satisfies so many needs. Cottagers, outdoor enthusiasts, search & rescue teams, utility companies, surveyors, and farmers all benefit from ARGO's versatile and unique abilities. **ARGO goes where others can't follow!**

Since 1967, ARGO has been manufactured by ODG in New Hamburg, Ontario, Canada at ODG's 121,500 sq.ft. (11,350m<sup>2</sup>) facility. Our dedicated team of engineers, production and technical support staff has made **ARGO the most reliable, amphibious, off-road, utility vehicle** you will ever drive.

**Safety!**  
*...always in Season!*

tread lightly!  
ON LAND AND WATER

**WARNING:** All operators appearing in this brochure are highly skilled ARGO drivers. The ARGO is a powerful off-road vehicle and can be dangerous if not properly operated or maintained. Before operating ARGO for the first time, read the ARGO Operator's Manual thoroughly to make certain all details and recommended driving procedures are clearly understood. Do NOT allow any individual to ride in or operate ARGO without first reading and clearly understanding the procedures outlined in the Operator's Manual. Do NOT allow any individual under 16 years of age to operate ARGO. Do NOT attempt maneuvers on terrain beyond your skills or beyond the capabilities of ARGO. Do NOT operate ARGO on highways, or any other road system. For safety, we recommend wearing approved helmets and eye protection. When operating in water follow standard boating safety procedures, always wear approved Personal Floatation Devices, and do not stand in a floating ARGO. Operating your vehicle on ice-covered bodies of water can be dangerous. Always consult your ARGO Operator's Manual for detailed safety precautions. Follow all instructions that appear on the CAUTION and WARNING plates on ARGO. Do NOT exceed the recommended MAXIMUM load capacity under any circumstances. Do NOT operate ARGO unless all occupants are seated and all cargo is securely fastened down. Drive with CAUTION and good sense at all times.
