

NORMAND[®]

SPREADER ON 3-POINTS HITCH

S3P-46 & S3P-56

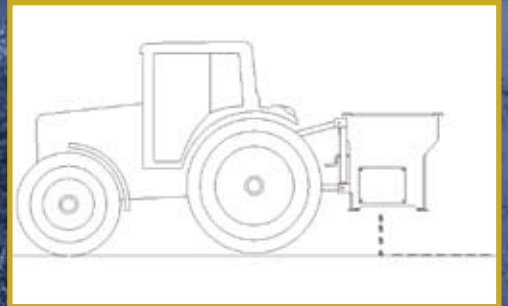

ECONOMIC

Normand's S3P spreader is perfect to spread sand, salt and other aggregate to control ice and snow on driveways, parking lots, sidewalks and other applications.

The Normand's S3P spreader must be installed on a category #1 tractor's 3-points hitch.

Quality - Sturdiness - Reliability
