48", 54" & 60" Snowblowers

These small snowblowers come well equipped with many of the same features found on our heavier blowers. These models all have re-enforced end plates, 3/8" x 1-1/2" thick ribbon style auger flighting, hardened ground shafts and gears in the gear box, 4 blade fan, and a rigid clevis style A frame hitch. They also have an adjustable deflector on the chute, and all greaseable bearings round out the package to give you years of service!

Options:
