Udderdine™

IODINE FAMILY OF TEAT DIPS

**NPE
FREE**

Versatile

All of the Udderdine products can be used as a pre or post dip and as a spray or a foam

Effective

Contains a high level of detergency to clean teats quickly and effectively

Balanced

Choose the formula that will provide your dairy the protection that it needs

The Udderdine family of iodine teat dips offers an excellent balance of germ-killing and skin-conditioning.

Udderdine™ 110 – High Emollient Teat Dip

- Use in heavy organic load conditions
- One of BouMatic's most popular dips due to excellent balance
- Broad spectrum, 1% Iodine formulation; 10% emollients for great skin care

Udderdine™ 75 – Heavy Emollient Teat Dip or Spray

- Great for Spring and Fall when 1% - 10% Iodine post dip is overkill and 0.5% - 5% is not quite enough
- Broad spectrum, 0.7% Iodine formulation
- 8% Emollients for superior teat skin conditioning

NPE Free – Environmental obligations are a high importance to BouMatic. All of our formulations are NPE-Free

Dairy cow cleanliness and care prior to milking are important for optimal milk production. BouMatic provides high quality teat dips that help producers achieve the best combination of keeping cows healthy and in good milking condition.
