

# CT SERIES

## THAT TOUGH.

Grandpa would be in shock. Spread pen pack, straw pack, paper waste, bio-solids, chicken manure, anything. It doesn't really matter, because this spreader has proven it can stand up to whatever your chores require. Even hauling silage. Just remove the beaters and drop in the tailgate. Done.

## CT3005

LENGTH 30'  
WIDTH 7'6"  
HEIGHT 5'  
CAPACITY 1350 CU. FT.
