Discover the configurable solution  
for all the equipment in your fleet.  
Command PRO engines: the most factory options.

# Always *running*. Always *earning*.

Starting the engine is the last thing you or your customer should worry about. That's why you want the REHLKO Command PRO® EFI ECH440 engine powering every piece of equipment. The ECH440 starts like your car, with no choking. There's no carb, so there's no carb downtime. Your equipment is always running—and earning—and your customers are more productive.

Plus, REHLKO EFI engines save cash at the pump and save time on refueling.

## Standard features

No choke—starts just like your car

No carburetor—no carburetor problems

Efi diagnostic software provides quick and easy troubleshooting to minimize downtime\*

Easy access to all routine maintenance points

3-Year unlimited-hour limited warranty

Less time refueling and better fuel economy than similarly sized carbureted engines

Automatically optimizes for fuel grade, fuel quality and altitude

Reduced carbon footprint—less fuel means less carbon produced
