# AVAILABLE PACKAGES

## ADVENTURE

The 1550 Fisher Adventure package lives up to its name. Presented exclusively as a bare alloy finish, with durable powder coated surfaces throughout, this is a Stabi built to take the abuse of adventures in their rawest form. Standard powder coated surfaces include the portside seat base, dash, storage shelf, footrest, cargo barrier, and bow step. The package comes standard with Stabicraft's legendary, all-glass, walk-through windscreen offering unparalleled access to the bow and beyond.

## SPORTFISH

The 1550 Fisher Sportfish package builds the adventure, expanding the standard feature set with popular features, including a Stabicraft rear boarding ladder and handrail, Fish Pro seats, stainless, deck wash, a 70L Ikey-Tek cooler with squab and many more. Add a lick of colour and pimp from the extensive Sportfish options list to suit your explorations, family adventures, and fishing exploits.

## PROFISH

The 1550 Fisher Profish leaves nothing to spear, fully equipped as an exhaustive and absolute statement, incomparable to anything in the 15.5-foot market. The standard feature set boasts a 60L (15.85gal) underfloor fuel tank, rod & canopy arch with eight rod-holders, bimini with a canvas top, welded-in live bait tank, port and starboard boarding platforms with handrails. The Profish puts a line in the sand with an all-inclusive premier package ready to roll.

## OFFSHORE

The 1550 Fisher Offshore package is designed for boaters destined for cooler climates. The offshore package comes with full all-round canvas protection, transforming your 15.5-pocket rocket into an all-weather legend. The all-round canvas protection forms a fully enclosed helm area with 360° visibility, ideal for sheltering your crew while under power no matter the conditions.
