

OCEAN PRO

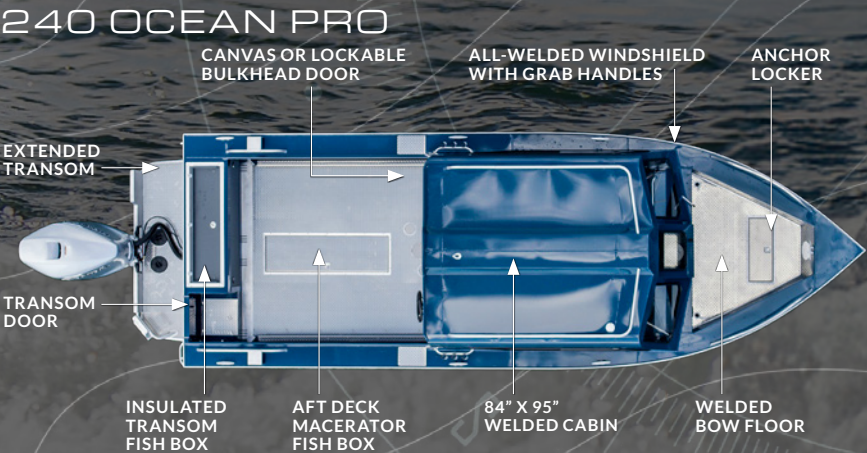

The Ocean Pro builds on the proven Sea Runner hull but stretches it in all the right places. More depth. More width. More confidence when conditions turn. With up to 26 feet of rugged, ride-smoothing, wave-busting boat beneath you, plus a 100-gallon fuel tank, the Ocean Pro will take you there, and bring you home again.

It's time to chart your own course into waters that reward the bold.
