

SPORTSMAN

160 • 180 • 200

The Hewescraft Sportsman is our most popular model for good reason—it's rugged, reliable, and ready for families who refuse to sit on the shore. It brings the unmatched build quality Hewescraft is known for into a compact, affordable design that outperforms any light-gauge riveted hull. Add the optional removable ski pylon, and you've got a do-it-all family boat that's ready for lakes, rivers, and whatever's next.

It's time to chart your own course in the boat built for getting everyone onboard.
