NIKKEL IRON WORKS CORPORATION

TERMS & CONDITIONS OF SALE

Freight: F.O.B. Shafter, CA

No "Drop Ship" services.

Prices: Subject to change without notice. All shipments will be at the prevailing prices on the date of order.

Ordering Policy:

Wholegoods – All wholegood orders must have a signed PO. Orders will be confirmed to the customer by order acknowledgement via email. All orders will be built according to the written order acknowledgement. If the order acknowledgement is incorrect, call immediately to correct the order. If, after ordering, you have not received an acknowledgement, your order may not have been booked. Please call our office to confirm your order.

Order Cancellations & Changes: Any wholegood order that is cancelled less than 45 days prior to the acknowledged ship date will incur a 10% restocking fee. Wholegood orders changed or modified after production starts, may incur a change fee, at factory discretion.

Knocked Down, Partial Assembly, or Fully Assembled: Our products are shipped "knocked down". This simply means that our wholegood products are disassembled enough to safely fit on a truck (flatbed). The price list will indicate assembly charges for each product line. If you wish to have your order partially or completely assembled, a "**net**" **assembly charge** will apply.

Return Policy: No part may be returned for credit unless authorization has been given by the Nikkel Iron Works, Corp. office in advance. All returned items must have an RGA (Return Goods Authorization) number, issued by NIW, clearly written on the packing list and on the exterior of package. If an item does not have an RGA number, shipment will not be accepted and credit will not be given. All returned items must be shipped prepaid. Credit will be issued based upon the condition and saleability of the item.

Wholegoods – Standard wholegood items may be returned for credit with advanced office authorization. Credit for standard items equals 85% of the net wholegoods cost. Items shall be new and in unused condition. Wholegoods that are custom built or special order items are either non-returnable or subject to a re-stocking charge, depending on how specialized the order.

Past Due Accounts: Accounts past due will be placed on C.O.D. or hold until brought current or satisfactory arrangements are made for payment. Interest of 1.5% per month (annual rate 18%), or such other rate allowed by state law, may be charged on past due accounts. **Cash discounts will not apply!**

Damages or Shortages in Shipping: We make every effort to see that equipment and/or parts are loaded on the carrier's vehicle properly, however the ultimate responsibility of securing load and transportation is that of the carrier. The Dealer is responsible for noting any loss or damages on the bill of lading. Dealer is responsible for notifying Nikkel Iron Works of any damages or missing parts within 7 days. Nikkel Iron Works will help you in securing an adjustment for the loss or damage, providing you have noted the damage with the carrier. Claims for shortages in shipments or concealed damage must be made within 7 days of receipt of goods.

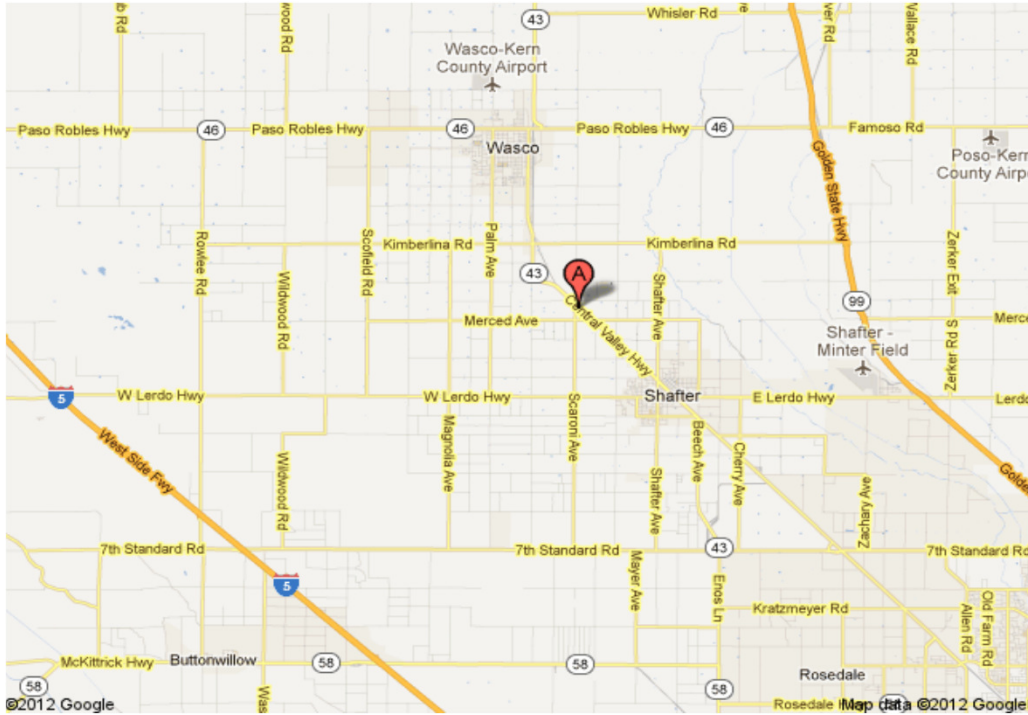

Warranty: All wholegoods must be registered via warranty registration cards provided in the parts manual or online. Products, parts, and component purchases are subject to the Nikkel Iron Works Corporation 1-year, from date of retail purchase, **Limited Written Products & Parts Warranty**. All warranty work/replacement must be pre-approved. The return of original parts may be required. The Nikkel/Dealer warranty policy guide is available on our website or by calling the factory.

Models not listed in the price list may be available, but are considered non-standard. We will price them upon request and delivery will be as our schedule allows at the time of the order.
Please contact us for information on any models not listed.

Nikkel Iron Works Corporation reserves the right to make improvements in design and changes in specifications, at any time, without obligation to update units previously sold.
