

# PARTS BOOK

## *Weaverline* Models 120, 121 and 124 Battery Powered Carts

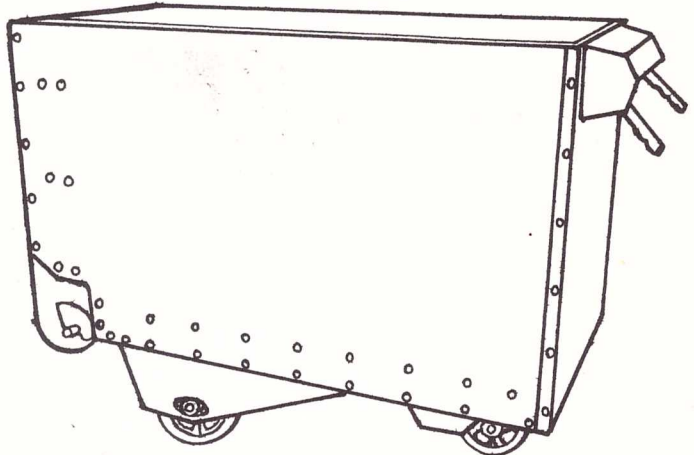

### LONG 1 PIECE UNDERCARRIAGE

**Model 121 (2-Battery)**

**Model 124 (4-Battery)**

Serial #3001 to #3299

Built after Sept. 1968

### 2 PIECE UNDERCARRIAGE

**Model 120**

Serial #1701 to #2000

Built prior to Sept. 1968

### IMPORTANT NOTE:

Before ordering parts, first determine the model cart for which parts are needed. Then consult right hand column on Parts List for your particular cart.

### FOR CARTS OTHER THAN BATTERY POWERED SELF-PROPELLED:

Parts for gas engine driven carts, include the word "GAS" after each part number.

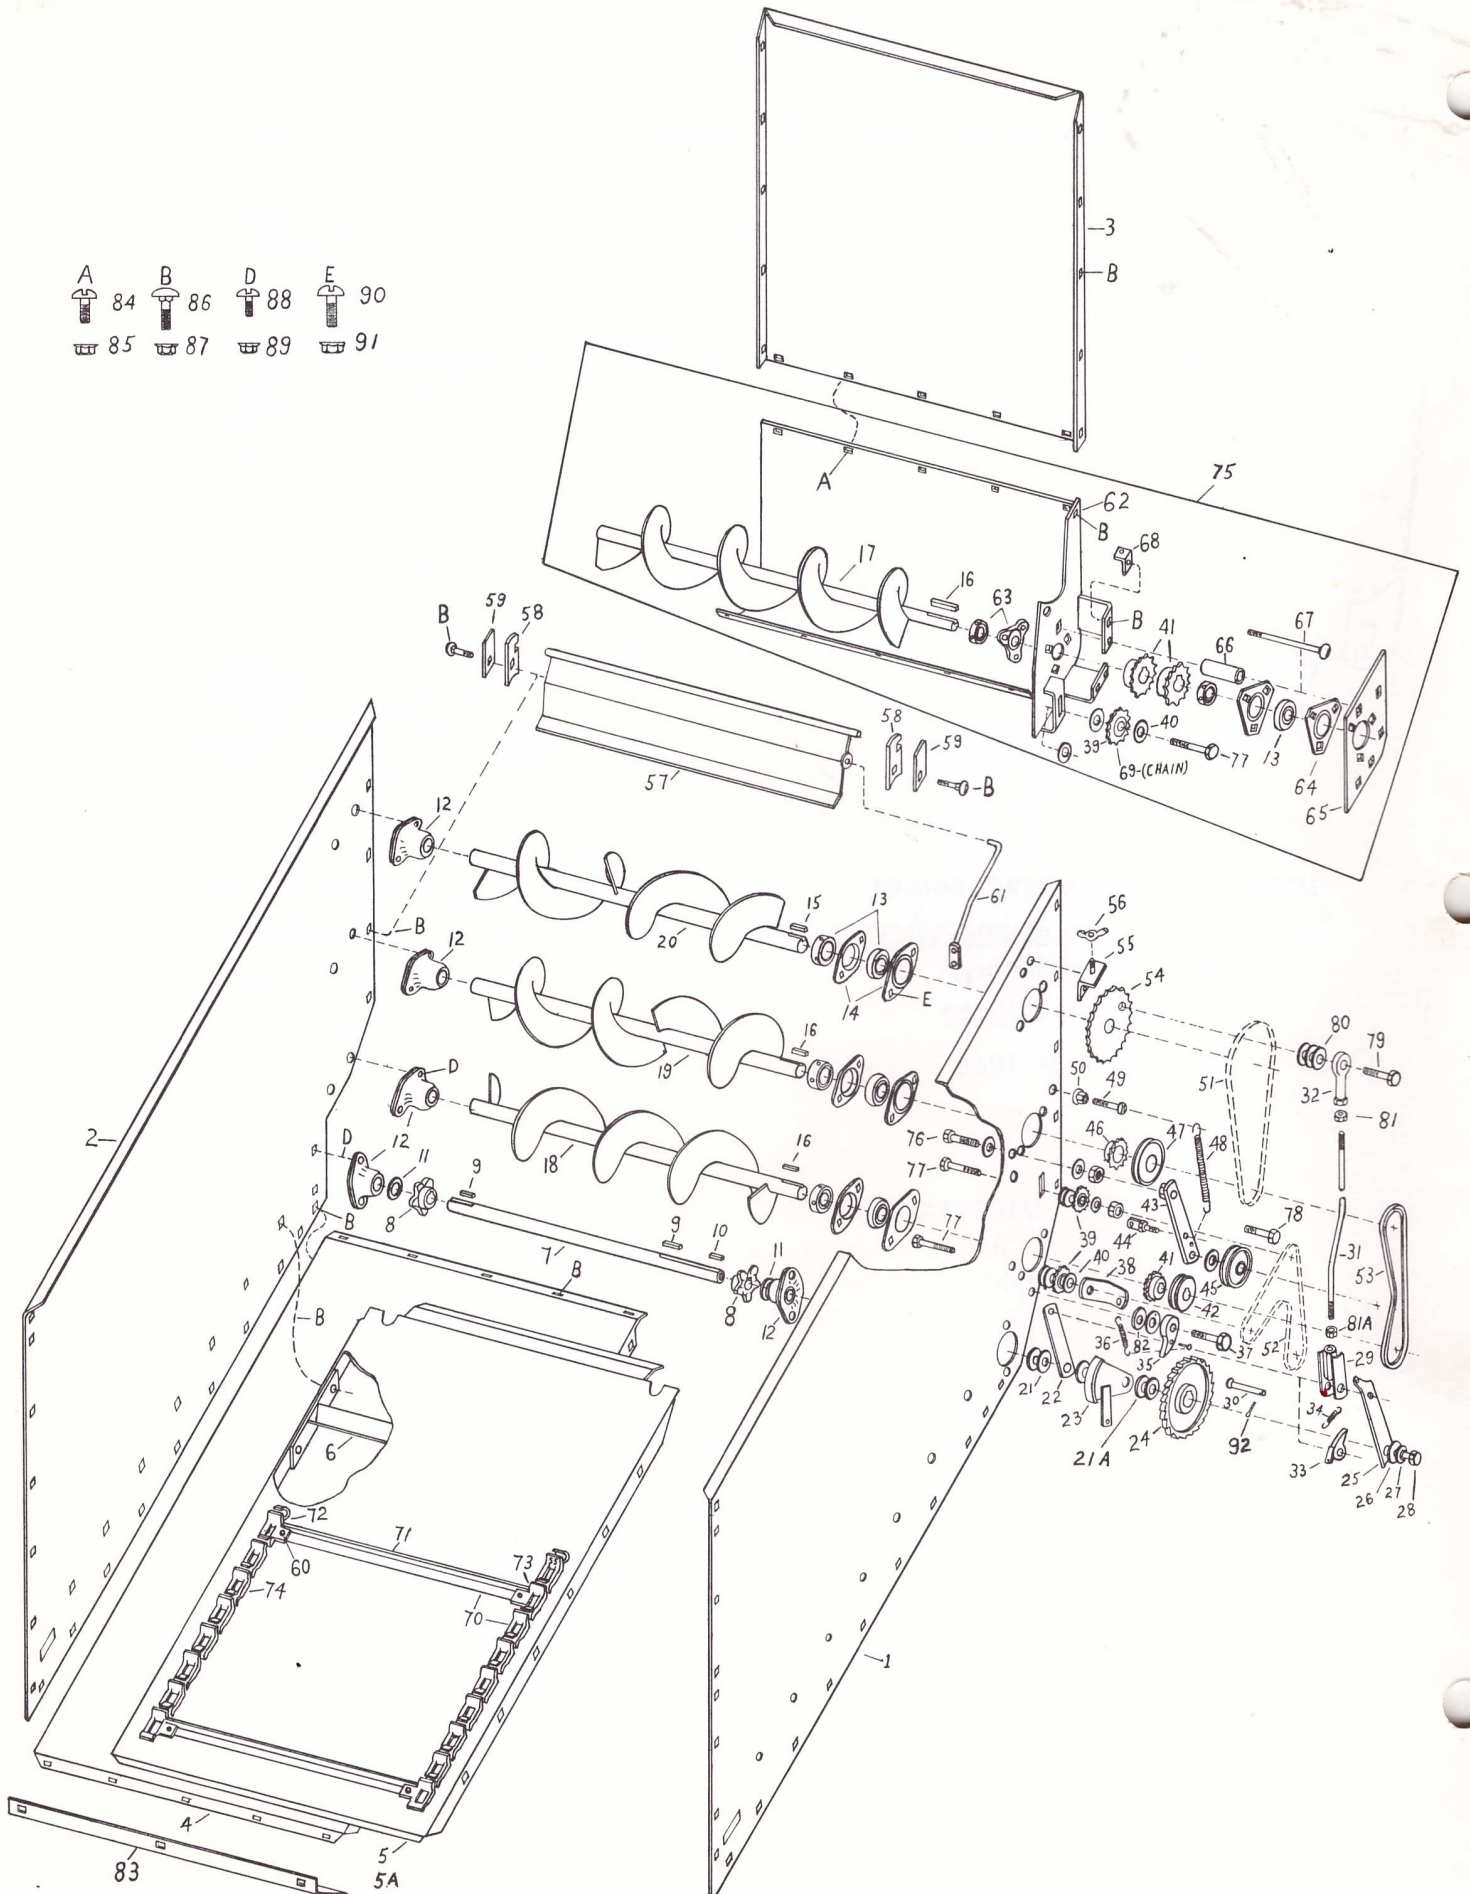

Parts for AC electric carts (using overhead cord system) include the word "A-C" after each part number.

Parts for free wheel (push type) carts, include the word "PUSH" after each part number.

If parts are needed for elevator attachment, order by description giving model, year, and serial number of cart; and discharge height of elevator, 27" or 37".
