

MORE THAN A TRAILER  
EFFICIENT • STRONG • INNOVATIVE

## GOOSENECK 2.0 FLATBED TRAILER

A TRAILER  
DESIGNED FOR YOU!

### DURABILITY

Gooseneck 2.0 flatbed trailers have incomparable durability as well as a modern design, and this without affecting the quality you are looking for. Our trailers are heavy-duty and made of galvanized steel. These trailers will follow you wherever you go and withstand the wear of time.

### INNOVATIONS

A multipurpose and versatile trailer with a sophisticated gooseneck, anti-torsion frame, a ramp with two lockable positions, toolboxes, adjustable LED lighting, and more. Here is another innovative product signed Maxi-Roule.

### COMPLETE OPTIONS

Whether the multi-position ramps, straps, toolboxes, chain racks or LED lighting, it is all there. Gooseneck 2.0 flatbed trailers are delivered with all available options already installed!

WINCH BAR RACK HOLDER**

**JACK  
25,000 LB**

YOU **DESERVE** THE BEST  
ON THE MARKET.  
CHOOSE **MAXI-ROULE!**

## 100% ANTITORSION REINFORCED STRUCTURE

A tube running the structure up to the gooseneck provides a 100% anti-torsion frame.

## RAMPS (MULTI-POSITIONS)

Open

Closed 90°

Closed 180°

This ramp system has an ultra-light structure which allows easy, simple and unconstrained handling. Our innovative system allows you to close the ramps in 2 positions, either 90° or 180° (fully closed) to optimize the space at the rear of the trailer according to your needs.

## AJUSTABLE LED LIGHTING

A swivel LED lighting system attached to an adjustable arm allows you to easily position your lighting to suit your needs.

## STEPS

Everything is in place to make your life easier, either using our integrated steps to climb on the flatbed or using the included straps to secure your load.
