

MORE THAN A TRAILER
EFFICIENT • STRONG • INNOVATIVE

LANDSCAPING

A MULTIPURPOSE AND
VERSATILE TRAILER!

DURABILITY

The Landscaping trailers have an incomparable durability as well as a modern design, and this without neglecting the quality you are looking for. Our trailers are heavy-duty and made of galvanized steel. These trailers will follow you wherever you go and withstand the wear of time.

INNOVATIONS

A multipurpose and versatile trailer that can be used by landscapers to carry their equipments as well as using it for leisure activities. Here is another innovative product signed Maxi-Roule.

NEW STYLE

Thought and redesigned to the highest standards on the market. New self-supporting ramps, integrated steps, new corners with an angular design and even new checkerplated steel fenders. You will be proud to haul a Maxi-Roule.

NEW STEEL
Checkerplated
Fenders

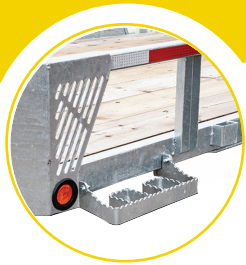

RAMPS 60" x 32"
With adjustable heel
(80" Trailer)

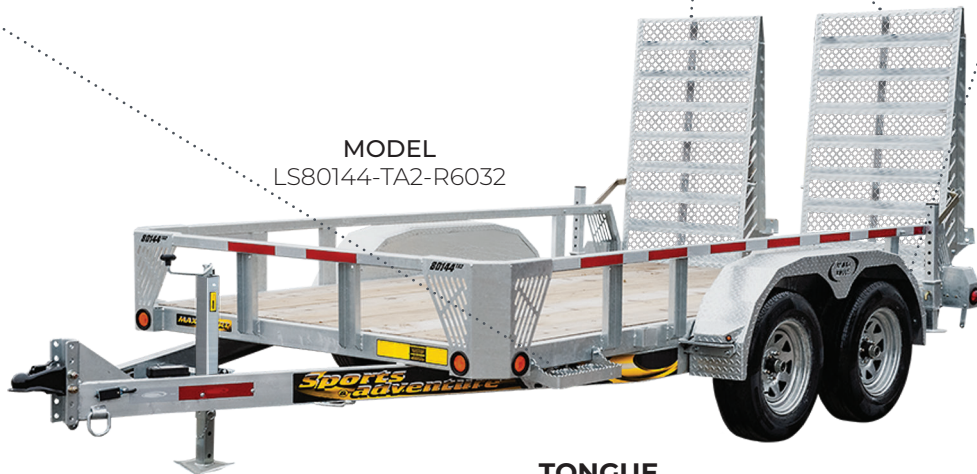

RAMPS 60" x 24"
(66" trailer)

RAMPS 60" x 19"
With adjustable heel
(80" trailer)

STEP
Integrated on each
side of the frame

MODEL
LS80144-TA2-R6032

TONGUE

A heavy-duty "A-frame" tongue with an adjustable 2-5/16" coupler and a jack with 7,000 lb capacity. An emergency brake battery is also installed.

CORNERS

The front-end of the trailer has been redesigned with new angular corners and integrated footsteps on each side.

STABILIZERS

The trailer is equipped with adjustable legs to allow better stabilization on the ground.

A carefully redesigned trailer with heavy-duty slider suspensions, 3,500 lb or 5,200 lb axles (depending on model) and new ramps with adjustable heels for a stable ground support.
