701 Enduro

READY TO GO WHERE IMPULSE TAKES YOU,
THE HUSQVARNA 701 ENDURO IS BUILT
TO DELIVER UNCOMPROMISED PERFORMANCE
ON, AND OFFROAD.

701 Enduro LR

YOU'RE COMPLETELY IN THE ZONE, FLOWING SWIFTLY ALONG A WINDING DIRT TRAIL. THERE'S NO DESTINATION IN MIND, MERELY THE NOTION TO KEEP ON GOING - AS LONG AS POSSIBLE.

25 l fuel tank approx. 500 km range 21"/18" wheels

Keep the ride going.

Bred from the Husqvarna 701 Enduro, the 701 Enduro LR offers the same dynamic all-terrain riding experience with extra long-range touring capability. With the addition of a front auxiliary tank, the fuel capacity of this nimble offroad machine is almost doubled to 25 litres. Made from high strength polyamide, the perfectly integrated impact resistant front tank allows up to 500 km of riding bliss. Its 43.4 kg engine is not only lightweight, but also extremely efficient and reliable, allowing for long 10,000 km service intervals and low fuel consumption. A state-of-the-art cornering ABS system, Brembo brakes and various electronic rider aids make this versatile touring machine a complete package.

701

Single cylinder. Multiple skills.

The lightweight, 74 hp single-cylinder 692.7 cc engine features a ride-by-wire throttle for a perfectly linear power delivery. It offers refined performance for riders of all levels and advanced efficiency on the daily commute. The compactly designed single overhead camshaft cylinder head features two 42 mm intake valves and two 34 mm exhaust valves actuated by a robust rocker arm system, delivering precise valve timing at high engine speeds. With 73.5 Nm of torque available, opening up and effortlessly powering through the gears using easy shift leaves riders in no doubt of the thrilling performance packed into the lightweight unit below them.

Own your own

Financing your own dream bike couldn't possibly be any easier. With Husqvarna Motorcycles' financial partner, riding off on a brand new motorcycle is simpler than you could've ever imagined. For each specific motorcycle, individually tailored financial solutions enable you to race off in no time. Speak to your nearest authorized Husqvarna Motorcycles dealer for more information.

Confidently take to the streets and experience more with Husqvarna Motorcycles' extended warranty. It's really easy; extend your standard manufacturer's warranty before it expires. You can renew it every year for up to 12 years or 80,000 km. Once covered, claims can easily be made via your authorized Husqvarna Motorcycles dealer to ensure the best possible service. Warranties on the bike can also be transferred upon change of ownership. So new or used, you can ride your Husqvarna motorcycle with peace of mind.

Husqvarna Motorcycles' lifetime* Mobility Service keeps you safe at every turn with 12-month coverage free of charge. Lifetime Mobility Service is renewed at no additional cost for a maximum of 12 months with each service at your authorized Husqvarna Motorcycles dealer until the next service. Thanks to the Assistance Center, available 24 hours a day, 7 days a week, 365 days a year throughout Europe, any potential breakdowns are worry-free. See more details at <http://husqvarna-motorcycles.com/mobilityservice>.

Husqvarna Motorcycles Finance, Extended Warranty and Mobility Service might not be available for all markets. Please ask your local authorized Husqvarna Motorcycles dealer about the offers and conditions in your country.

*The definition of lifetime for single-cylinder vehicles: max. 60,000 km or 8 years, whichever comes first; for two-cylinder vehicles: max. 80,000 km or 8 years, whichever comes first.

Legal disclaimer

Limitation not advised!

The riders illustrated are professional motorcycle riders. The photos were taken on closed racing circuits or closed roads. Husqvarna Motorcycles wishes to make all motorcyclists aware that they need to wear the prescribed protective gear and always ride in a responsible manner in accordance with the relevant and applicable provisions of the road traffic regulations. Only the homologated versions of the motorbikes promoted in this brochure are suitable for road use. Husqvarna Motocross models are not approved for use on public roads. For this reason, it is absolutely essential that use on public roads is avoided. The warnings and hazard notices in the owner's manual must be observed without fail when purchasing a motorcycle and using it for the first time (especially the prescribed speed limits). Some products in the Husqvarna Motorcycles accessories range are not approved for use on public roads in certain circumstances (varies from country to country). Please contact your Husqvarna Motorcycles dealer for further information. The illustrated vehicles may vary in selected details from the production models and some illustrations feature optional equipment available at additional cost. All information concerning the scope of supply, appearance, services, dimensions and weights is non-binding and specified with the proviso that errors, for instance in printing, setting and/or typing, may occur; such information is subject to change without notice. Please note that model specifications may vary from country to country.
