The Marlon AMT trailer is a lightweight easy to tow motorcycle trailer. Also works great behind your SUV or Car for that extra room on trips. The AMT trailer is built with an aluminum frame, painted aluminum body with an attractive aluminum checker plate finish. This trailer is the perfect solution for hauling your golf clubs, camping gear, groceries or luggage. The AMT comes standard with LED lights, 1 7/8" chrome plated coupler, carpeted interior, aluminum rims, lid with rack and also a heavy duty lockable latch. To make your travels even smoother the Marlon AMT is also available with a swivel hitch! The swivel hitch offers a smoother towing experience, and enables the trailer to tow smoothly through corners
