

RESIDENTIAL
MOWERS

IMPROVING LIFE & LAWCARE

In 1964, Hustler® Turf introduced the world's first twin-lever zero-turn lawn mower. Today, the twin-lever design created by Hustler is used by most zero-turn manufacturers. With a jump on the competition, Hustler quickly began improving the original design by implementing a rigorous R&D program to engineer, test, and push the envelope on what was possible with a zero-turn mower for the commercial market.

In 2012, Hustler took these years of innovation and experience with heavy-duty commercial equipment and put that knowledge into a residential zero-turn mower called the Raptor®. The success of the Raptor led to a complete series of Raptor models, and eventually spun off the Dash Series.

Today, homeowners rely on Hustler equipment for its durability, reliability and professional cut quality. They also depend on quality customer service, industry leading warranties and a dealer support network of over 1,400 US locations.

THE HUSTLER® ADVANTAGE

SMOOTHTRAK™ STEERING

Precision control to help trim and maneuver easily around obstacles. This steering system has been developed over decades of experience. Many have tried to reverse-engineer this design only to learn that it's not one component that makes it the smoothest in the industry.

INTEGRATED PARK BRAKE

Hustler was the first to integrate the parking brake into the twin-lever design. This design was patented for years and continues to be a great safety measure for operators.

HEAVY-DUTY DECKS

Fabricated welded-steel decks add strength and durability that outperform stamped decks found on other brands.

TOUGH FRAMES

Fabricated welded-steel frames, over-engineered front axles, and thick front forks with heavy-duty caster yokes ensure your mower will last for many years. Our frames are tested for thousands of hours on grass and concrete test tracks with inclines and embankments. Our construction is superior to mowers at the same price point.

SIMPLE DESIGN

Who wants something you can't work on yourself? More engineering doesn't always mean more parts or more complexity. Quite the opposite. We engineer our mowers to have fewer parts and more access points making them efficient and easy to maintain.

PRECISION CUT QUALITY

Our decks are not only durable, but engineered to give homeowners a clean, crisp cut. This comes from decades of learning how the airflow inside the deck stands grass blades up during the cut. Make your neighbors jealous with a beautifully manicured yard and well-defined stripes.

DASH

DASH XD

DASH SERIES SHARED FEATURES

- 1 Heavy Duty Steel Frame**
1" x 2" steel frame making it one of the toughest and most durable in its class.
- 2 Welded Fabricated Steel Deck**
Durable 11 ga. welded fabricated steel deck adds durability and extends the mower's life. (compared to stamped decks on other brands used to cut costs)
- 3 Foot Operated Deck Lift**
Easily adjust the deck height between 1.5"- 4.5" with less effort than hand-operated levers found on other brands.

DASH

The Dash is Hustler Turf's most compact residential mower designed for smaller property owners. The smaller design makes it ideal for garage storage and fitting through tight spaces like fence gates. The Dash's heavy-duty frame and front-end, along with its fabricated welded-steel deck is unmatched at this price point.

Engine	Decks Sizes Available
10.5HP - Briggs and Stratton®	34", 42"

✓ 2yr / 200hr Residential Warranty

Compact Size
Easily fits through most gates making backyard mowing easy and ideal for garage storage.

16" Rear Tires

DASH XD

The Dash XD is the big brother of the Dash. The upgrades include more deck sizes, a more bolstered seat, more horsepower with a Kawasaki® engine, and larger BigBite™ rear tires. At this price point, the Dash XD's beefy construction clearly separates it from other brands.

Engine	Decks Sizes Available
15HP - Kawasaki® FR541	34", 42"
18HP - Kawasaki® FR600	48"

✓ 2yr / 200hr Residential Warranty

Standard Engine Guard

Premium Seat
Bolstered with built-in lumbar support.

Premium Power
V-Twin Kawasaki® engine.

18" BigBite™ Rear Tires

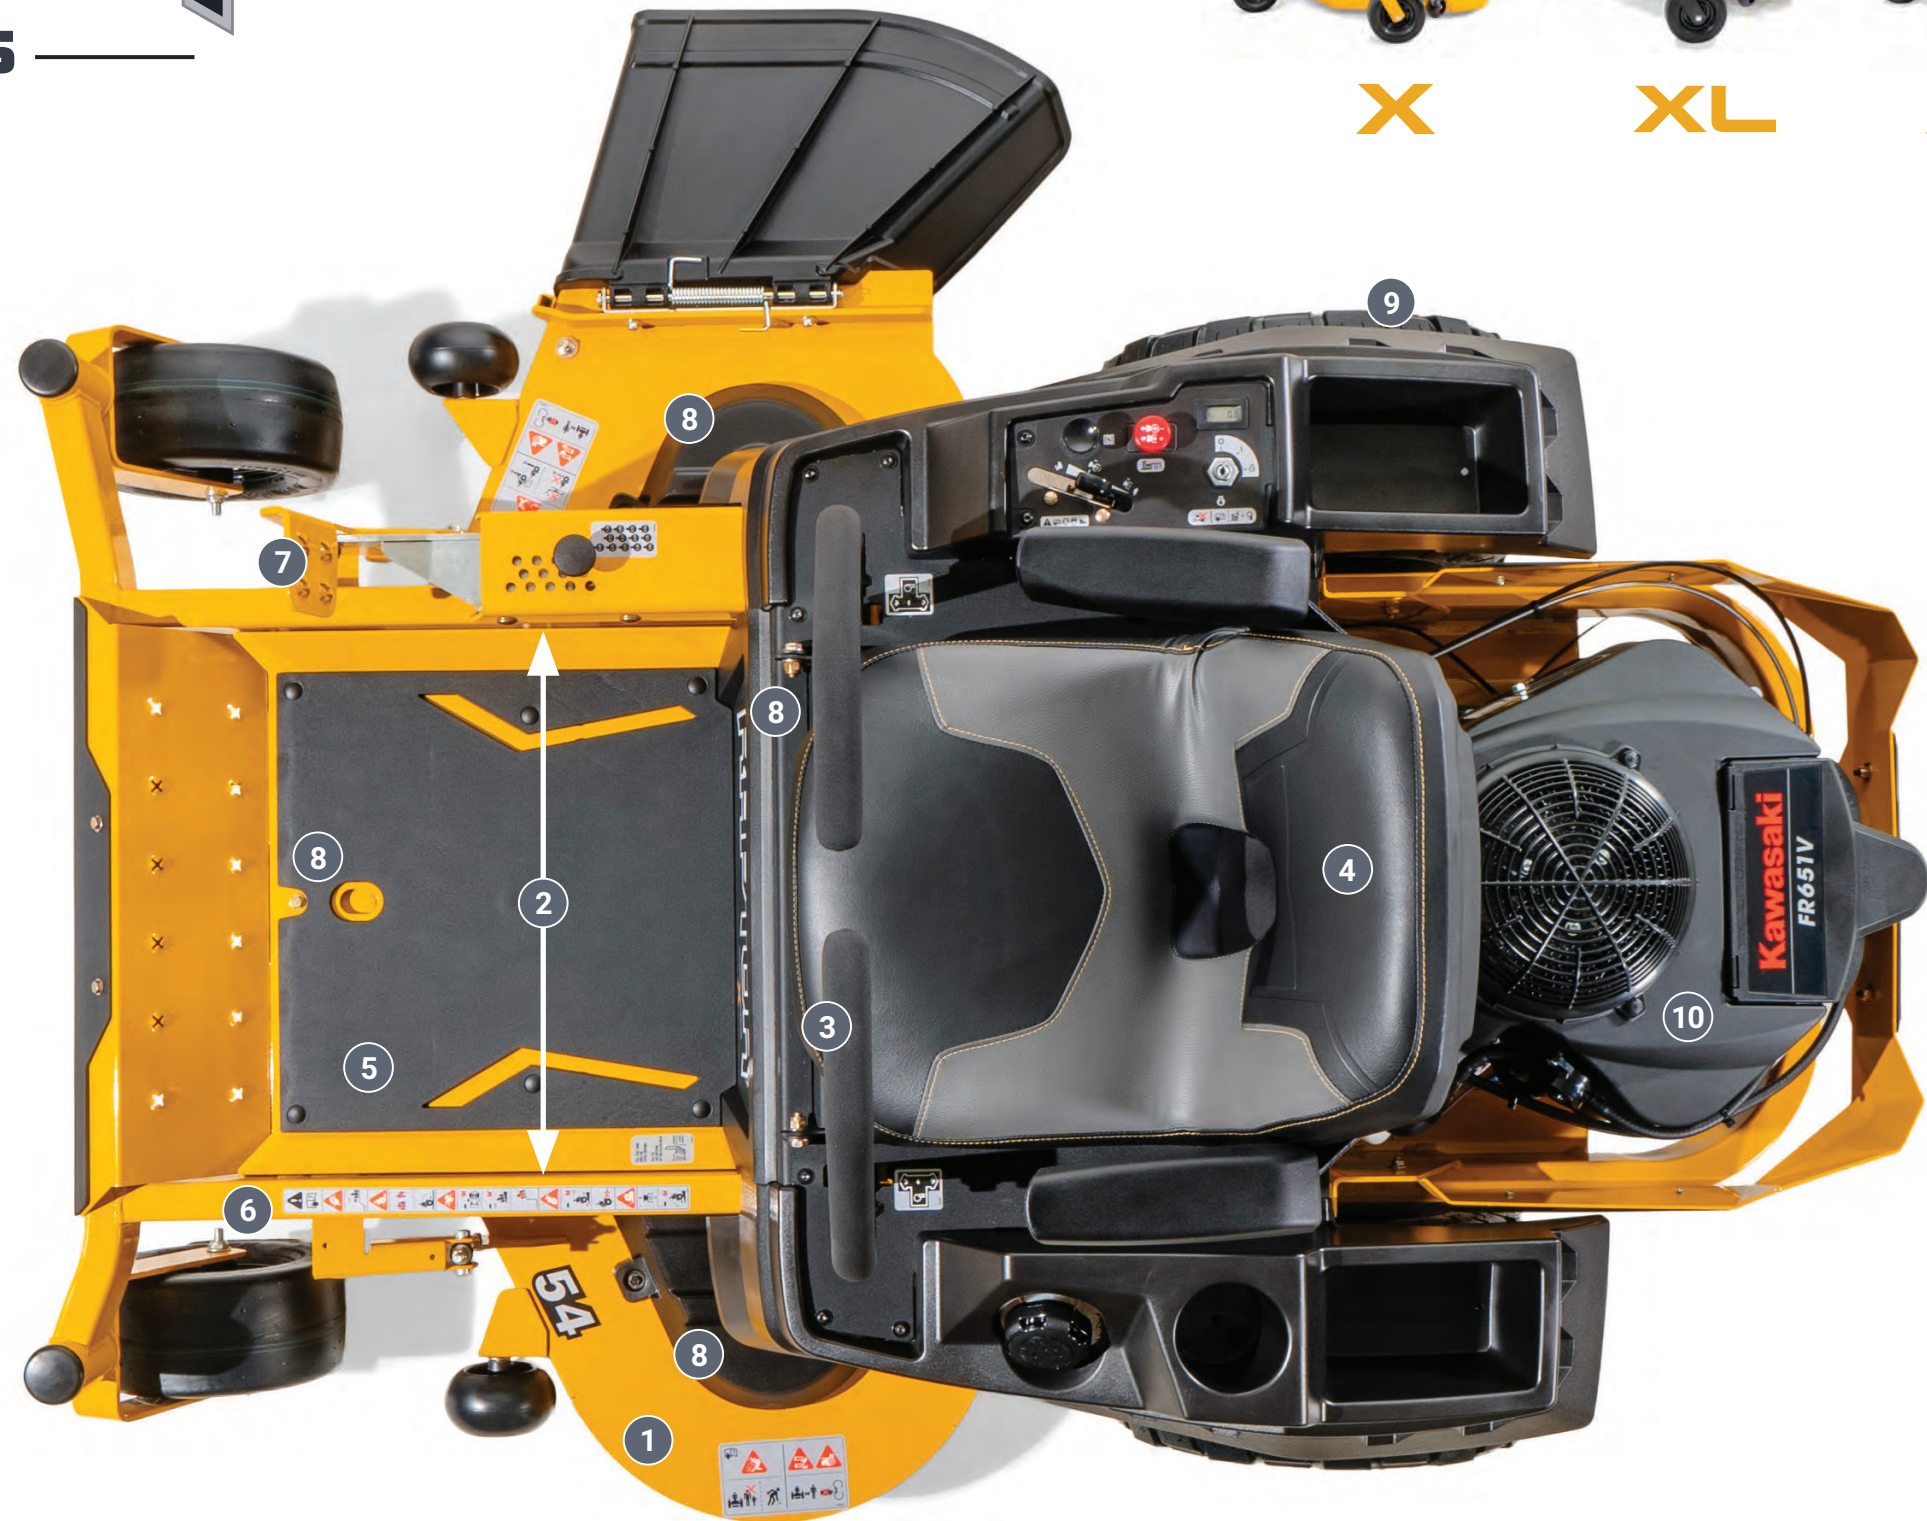

RAPTOR

SERIES

RAPTOR SERIES SHARED FEATURES

- 1 **Welded Steel Deck**
Welded fabricated steel deck adds durability & extends the mower's life (compared to stamped decks on other brands used to cut costs).
- 2 **Wider Stance**
Additional operator platform width provides more room and comfort for the operator.
- 3 **SmoothTrak™ Steering**
Precision control to help trim and maneuver easily around obstacles. Other brands have sensitive steering levers causing sudden and jerky movements.
- 4 **Premium Seat**
Provides a comfortable ride with armrests and added airflow to the back.
- 5 **Rubber Floor Mat**
Adds comfort by reducing vibration on the operator's feet. Standard on all Raptor models.

- 6 **Premium Residential Frame**
Continuous one-piece 1½ inch by 3 inch welded tubular frame not seen on any other residential mower. #1 in Class
- 7 **Foot-Operated Deck Lift**
Easily adjust the deck height between 1.5" - 4.5" with less effort than hand-operated levers found on other brands.
- 8 **Easy to Service**
Flip-up seat pan, removable floor pan, vented pulley covers.
- 9 **Exclusive BigBite™ Rear Tires**
We worked directly with the tire manufacturer on this design. You will not find them on other brands.
- 10 **Premium Power**
The V-Twin Kawasaki® engine is the highest rated residential engine available.

Raptor X model pictured above.

RAPTOR X

The legendary Raptor X packs all the performance and reliability Hustler is known for into a simple and durable design. We engineer our mowers to be maintenance and service friendly for the everyday homeowner. From the frame to the deck to our trademark steering, the Raptor X delivers a professional-grade cut quality for a perfectly manicured lawn. We've put thousands of hours of R&D and testing into the Raptor Series, which is why it's backed by a 3yr / 300hr warranty.

Engine	Decks Sizes Available
18HP - Kawasaki® FR600	42"
21.5HP - Kawasaki® FR651	54"

✓ 3yr / 300hr Residential Warranty

Premium Seat
Provides a comfortable ride with armrests and added airflow to the back.

Premium Engine
The V-Twin Kawasaki® engine is the highest rated residential engine available.

Exclusive BigBite™ Rear Tires
We worked directly with the tire manufacturer on this design. You will not find them anywhere else.

RAPTOR XL

The Raptor XL features premium upgrades to the Raptor X. The XL provides some added comfort with a more premium seat and Flex Forks® for a smoother ride. Also, there is an additional horsepower option with a 23hp Kawasaki® FR Engine. More comfort and more power backed by a 3yr / 300hr warranty.

Engine	Decks Sizes Available
21.5HP - Kawasaki® FR651	42"
23HP - Kawasaki® FR691	54"

✓ 3yr / 300hr Residential Warranty

Standard Front Flex Forks®

Additional Horsepower Option
Kawasaki® FR Engine 23hp

RAPTOR XD

The Raptor XD is the ideal zero-turn for homeowners with up to five acres of property. The up to 24hp Kawasaki® engine and 60-inch deck option makes the XD a premium lawn mower in the residential zero-turn category. Like all Raptors, we've spent decades and thousands of hours perfecting our durable fabricated decks that provide a professional-grade cut-quality. Raptor XD's are backed by a 3yr / 300hr warranty.

Engine	Decks Sizes Available
21.5HP - Kawasaki® FR651	42", 48"
23HP - Kawasaki® FR691	54"
24HP - Kawasaki® FR730	60"

✓ 3yr / 300hr Residential Warranty

**Higher-Back Seat
and Added Padding**

Larger Deck Size Option (60")

**Larger 20" BigBite™ Drive Tires
Larger Transmissions
Hydro-Gear ZT-2800®**

RAPTOR XDX

The Raptor XDX is at the top of the residential zero-turn category. It has commercial-grade features like a 10-gauge fabricated deck, cast steel deck hangers, vented and toolless removable pulley covers, and reaches up to 8mph with Hydro-Gear ZT-3100® commercial transmissions. The 5-inch-deep deck allows the XDX to mow through thick grass at top speeds. The heavy-duty XDX is backed by a 3yr / 300hr warranty and 1yr / 300hr commercial warranty.

Engine	Decks Sizes Available
21.5HP - Kawasaki® FR651	48"
23HP - Kawasaki® FR691	54"
24HP - Kawasaki® FR730	60"

**Commercial-Grade Deck
10 ga. with front bull nose bumper**

FLIP-UP

The Flip-Up has all the features of the Raptor X plus adds an automatic deck lifting system. With just the push of a button, the deck lifts upright creating simple convenient access for service and maintenance. Adjusting the deck-height is also made easy with our push button QuickFlip™ technology. The Flip-Up is backed by a 3yr / 300hr warranty.

Engine	Decks Sizes Available
23HP - Kawasaki® FR691	48", 54"

✓ 3yr / 300hr Residential Warranty

Premium Seat
Premium bolstered seat with built-in lumbar support.

Auto Deck Height Adjustment
Raises and lowers deck at the push of a button.

Welded Steel Deck
11 ga. welded fabricated steel deck adds durability & extends the mower's life.

QuickFlip TECHNOLOGY

1 MOW

At first glance, the Flip-Up is similar to other mowers in our residential line-up, but with QuickFlip technology, push a button to automatically adjust the deck to your desired cutting height.

2 RAISE

At the push of a button, the deck half of the mower folds 90 degrees in a matter of seconds.

3 CLEAN • SERVICE • STORE

Now, effortlessly clean the underside of the deck, perform maintenance like blade changes, and store the Flip-Up in less space.

**FULLY ELECTRIC - ALL THE POWER
A HOMEOWNER COULD WANT
WITH ZERO EMISSIONS**

Battery Type	Decks Sizes Available
AGM	42"

✓ 3yr / 300hr Residential Warranty

✓ **Sealed AGM Batteries**
Up to 90 minutes of run time depending on terrain and grass height/thickness.

✓ **Two-Speed Control**
Up to 5 mph in low and up to 7 mph in high.

✓ **Charge Time**
6 hours to fully charge.

Compact Design
Easily fits through most gates making backyard mowing easy and ideal for garage storage.

BigBite Drive Tires
Industry exclusive 18" BigBite drive tires.

Heavy-Duty Construction
1 x 2 heavy-duty one-piece frame and 11 ga. fabricated steel deck puts it at the top of the category.
