## THE BEST COMBINATION OF DURATION AND COVERAGE IN THE INDUSTRY

We build UTVs at American LandMaster with the intention of our customers never needing to use a warranty, but we know things can happen. The **Easy Life Warranty** from American LandMaster is a 12-month bumper-to-bumper limited warranty. Does limited sound confusing? It isn't. **As long as you care for your machine like you should, don't wreck it, or crush it, or let it be attacked by unruly farm animals, we're going to cover it.** Except for tires, brake pads, batteries, damage, neglect. That's the limit. **Visit [AmericanLandMaster.com](http://AmericanLandMaster.com) to learn more.**
