BRABUS PERFECTION & PASSION

BRABUS has been developing and building high-performance supercars for over 40 years; transforming vehicles of the Mercedes-Benz brand into stylish, unique vehicles – made in Germany. The world-renowned luxury mobility brand offers custom solutions for requests of any kind: From upgraded engines and elegantly styled aerodynamic enhancement concepts to expertly forged alloy wheels, as well as agile yet comfortable sport suspension systems and exclusive interior designs at only the highest level of craftsmanship.

BRABUS

REDEFINING PERFORMANCE DAY BOATING

BRABUS Marine is the result of the cutting-edge alliance between two of the most renowned companies in their respective genres. Bringing together the long-established, high-performance luxury automotive car producer BRABUS and the award-winning Finnish boat builder Axopar Boats, to redefine luxury day boating through a range of ultra-exclusive and exciting powerboats.

THE CORE OF BRABUS MARINE

As one of the world's most iconic boat brands specializing in luxury products for markets around the world, BRABUS Marine focuses on several key principles:

PERFORMANCE – All of our boats are characterized by superior performance courtesy of the latest high-tech engine technology. Through an unwavering commitment to perfection and a pursuit to redefine the superlative, the BRABUS Shadow range offers exceptional in-class power, an unparalleled driving experience and endless “go-anywhere” capabilities.

LUXURY – Our dual-personality design ensures that our performance figures do not come at the expense of on-board luxury. We guarantee sophisticated comfort as well as exclusivity on and below deck designed for a selected group of boat owners who wish to enjoy only the very best boating experience.

FUNCTIONALITY – Beyond the right looks and performance, BRABUS Marine as a brand stands for accessibility, comfortable handling and unmatched drivability. Through a 100 % tech driven development approach, we combine functionality with ease of movement.

BRABUS SHADOW 300 CROSS TOP

This ultra-agile high-performer strikingly delivers BRABUS' signature One-Second-Wow-Factor through its extravagant looks and multifunctional design, combining an unparalleled driving experience, next-level agility and easy handling like no other day boat in its size and class range.

Designed to inspire anyone, no matter the boating experience, to spend exhilarating moments out on the water. The stylish and compact BRABUS Shadow 300 offers endless possibilities and is the right choice for discerning powerboat enthusiasts worldwide.

Owners will be able to enjoy maximum freedom and flexibility as the luxurious agility sportster is trailerable. Whether docked at a lake house as a secondary boat or stationed in the drive to facilitate last-minute adventures, BRABUS Shadow 300 owners are guaranteed to spend more time on the water and less time restricted by logistics.

Conceptualised for unmatched thrills and fun on the water, this high-end day boat features a range of brand new highlight elements, including a spacious multi-storage compartment for water sports gear, a swim ladder for easy access to the boat from the water, as well as a water ski pole boasting an immaculate matte black finish.

INSPIRING. LUXURIOUS. FUN. THE BRABUS SHADOW 300 RANGE

In typical BRABUS fashion, the BRABUS Shadow 300 range, consisting of a Cross-Top and Cross-Bow model, is characterised by an immaculate attention to detail. Exterior focal points include quilted upholstery, BRABUS badges, a carbon dashboard panel and optional carbon backrests. BRABUS' fine leather Alcantara in the forward cabin and Sign of Excellence with BRABUS CEO Constantin Buschmann's name and signature in the helm area complete the boat's stylish interior.

Furthermore, the full 300 range is an ultimate display of multifunctionality, defined at its core by cutting-edge innovation and compelling solutions that provide an unmatched utilisation of space without having to compromise any of its extra-luxurious comfort.

The BRABUS Shadow 300 is equipped with a Mercury 300R V8 racing engine and thus offers incredible power — able to reach mesmerizing speeds of over 50 knots without compromising stability, handling or agility.

The multi storage aft layout option is perfect for owners with a large collection of water toys and gear, from snorkeling fins to SUP boards. Its layout can be furthermore easily transformed to fit various needs.

The BRABUS Shadow 300's commodious fore cabin comprises a double bed, toilet, and fresh-water system. Optional fridge and sink units can be integrated under the boat's front seats. At the bow, an extra comfortable sunbed offers a perfect space to socialise with friends or relax in the sun.
